Date	Description	Amount (s)	Balance (s)
16 Jun	Slippage fee (The Belt, 4 transfers)	-2,400	60,463,876
	Interworld Post paid your share of the month's crossings in advance, and the fee was worked out at the rate for the month it was paid, not the one it was spent in. The difference of 1,500 seconds has been carried forward to your account. Ref. CIBT-2995-54F9-9		
16 Jun	Transfer to joint account	-268,748	60,195,128
	At The Belt a joint account can be used only while both holders are within one corridor of each other. The rule is old and is applied with patience; the statement goes to whichever holder happens to be nearest the window. Ref. CIBT-2995-A618-1		
17 Jun	ATM withdrawal: The Belt	-172,800	60,022,328
	The withdrawal was keyed at The Belt on its own day and reached our books 30 days later, on ours. The posting is the Head Office's and the withdrawal is the machine's, and the officer there has signed to say so in both calendars. Ref. CIBT-2995-78C0-3		
17 Jun	ATM withdrawal: The Belt	-259,200	59,763,128
	Interworld Post has asked that its staff's cash-time be drawn in a single sum on the first day of the month. You are the only member of staff who has asked the machine to split it, and it has agreed, on your account, twice. Ref. CIBT-2995-892E-9		
19 Jun	Turbulence Cover	-22,601	59,740,527
	The premium for a seated passenger is rounded up to the whole shift, and for a standing one to the half, on the grounds that a standing passenger is already partly paid for by the carrier. You are rated as seated, which the underwriters consider the fairer reading of the form. Ref. CIBT-2995-F6FE-0		
23 Jun	Transfer to own account: The Belt	-959,758	58,780,769
	A sundry raised at The Belt is dated by the local hour and posted by ours, so this charge was made on the local evening and arrived on our morning. The desk regards it as one transaction, and the statement shows it as two. Ref. CIBT-2995-AF6C-3		
30 Jun	Interest at 4.80% APY	+241,865	59,022,634
	Interest for the 30th was posted from the balance before the deposit, because the slip had been filed a day behind the envelope it came in. The figure has been worked again on the full balance, and the 7 seconds owed to you are on the line beneath. Ref. CIBT-2995-257B-1		

Closing balance, month by month

Highest 83,258,706 s · lowest 58,429,771 s

July 2994 June 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
