Date	Description	Amount (s)	Balance (s)
01 Aug	ATM withdrawal: Kepler Ring	-86,400	63,132,734
	You stand with your back to the Kepler Ring machine and turn round only when the sound of the cash changes. The officer on the concourse has timed the change at four seconds on every visit, and the machine has begun making it at four seconds to suit. Ref. CIBT-3003-6660-8		
02 Aug	Turbulence Cover	-16,696	63,116,038
	You ask the carrier for each delay in writing before you file, and keep the letter folded inside the policy. The policy now holds a second document that nobody but you has ever read. Ref. CIBT-3003-4664-0		
15 Aug	Transfer to own account: Kepler Ring	-991,808	62,124,230
	A sundry raised on the 15th described the document as filed at Hall E, when it was filed at Kepler Ring. The description has been amended. The charge is the same, and it was the only thing on the form that was wrong. Ref. CIBT-3003-1D49-4		
17 Aug	Payroll credit: Interworld Post	+447,914	62,572,144
	A wage that falls exactly on the half-second is rounded down by the firm and up by the Bank, and the 23 seconds of difference go into a small tray in the vault marked for later. The tray has been there since 2999 and has grown a little by interest. Ref. CIBT-3003-9BA0-4		
18 Aug	ATM withdrawal: Kepler Ring	-86,400	62,485,744
	The cash paid at Kepler Ring on the 18th was dated the day before, because the machine's date register was mis-set after a fault. It has since been matched to the branch's day, and the line now shows the One Standard day as of the day it left the drawer. Ref. CIBT-3003-E198-9		
22 Aug	Slippage fee (Kepler Ring, 1 transfers)	-300	62,485,444
	Two of your crossings were made in the same second, which the relay has no way of recording. It has recorded them as one, and the Bank has charged them as two, a difference the Teller regards as the Bank's joke at its own expense. Ref. CIBT-3003-F4BB-2		
23 Aug	Transfer to joint account	-268,748	62,216,696
	The joint transfer waited 31 days because the posting day fell on the anniversary of the mandate, and the office does not post joint money on the day a mandate was signed. It went through the morning after, which was the first day it could. Ref. CIBT-3003-5F24-3		
31 Aug	Interest at 4.80% APY	+252,876	62,469,572
	No fee has been taken on the interest transferred from Kepler Ring. The local office asked for one and was told that the Bank does not levy fees on interest already earned. Ref. CIBT-3003-3342-2

September 3002 August 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
