Period 1–31 August 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
27,259,231 s	**+344,822 s**	**-38,972 s**	**27,565,081 s**

Date	Description	Amount (s)	Balance (s)
02 Aug	Slippage fee (Ganymede, 5 transfers)	-1,500	27,257,731
	The fee has been reduced by 600 seconds because the relay's clock was found to run ahead of the Head Office's by exactly that much. The relay has been asked to run behind it instead, which the Teller says will make the arithmetic more pleasant. Ref. CIBT-3003-0AAF-6		
07 Aug	Deposit: Hall E	+17,396	27,275,127
	Asked whether the sum was a gift, the Teller said it was a deposit and that the depositor had been very clear on the difference. The slip is in the depositor's own hand and says so. Ref. CIBT-3003-46BE-9		
10 Aug	Payroll credit: Kepler Ring Hydroponics	+172,282	27,447,409
	The employer's commission is taken before the wage is paid and rounded down to the nearest five seconds, as its payroll office has always done. The saving of 300 seconds this month is credited to you, and the employer does not know it is doing this. Ref. CIBT-3003-64B8-6		
11 Aug	Mech Veterans' Time Pension	+55,194	27,502,603
	The award gives 7 years of service, but the register had your year of enlistment written as your year of discharge, so the service was counted backwards. The count has been turned the right way round, and the sum now agrees with the award. Ref. CIBT-3003-643E-4		
16 Aug	Temporal Health Plan	-37,472	27,465,131
	Kepler Ring Hydroponics pays the larger share of your cover from its own account and recovers the rest from your pay under a heading the payroll office calls "Medical (Other)". The plan regards it as the only accurate heading on the form. Ref. CIBT-3003-5801-4		
31 Aug	Interest at 4.40% APY	+99,950	27,565,081
	Monthly interest rounded down to the nearest second, with the 0.962 remainder paid into the rounding account. The account is in credit to you by 59 seconds, and you are the only depositor who has noticed. Ref. CIBT-3003-03BB-9		

Closing balance, month by month

September 3002 August 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
