Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
110,781,527 s	**+4,690,909 s**	**-425,998 s**	**115,046,438 s**

Date	Description	Amount (s)	Balance (s)
14 Nov	Turbulence Cover	-12,099	110,769,428
	The first crossing of each month is claimed as a delay of 13 minutes, whichever carrier is running it. The policy has never asked which carrier that is, and the premium is drawn from 8564-3324-1663 on that footing. Ref. CIBT-2986-F930-3		
15 Nov	Transfer to joint account	-325,699	110,443,729
	The Teller says a joint account is a wager that two people will still be sitting at the same counter in fifty years, and that the Bank has taken the wager on both sides and is not permitted to say which it favours. Ref. CIBT-2986-878F-4		
15 Nov	Deposit: Hall E	+4,349,333	114,793,062
	The bearer's note was written in a hand the branch has seen before. It has asked to be filed with the rest of its family, and it has been. Ref. CIBT-2986-BFC6-4		
17 Nov	ATM withdrawal: Ganymede	-86,400	114,706,662
	You have checked the balance on the screen before each withdrawal for 7 years, and each time the figure has been right. The machine has not been told that this is a comfort to you. Ref. CIBT-2986-D100-0		
26 Nov	Slippage fee (Ganymede, 6 transfers)	-1,800	114,704,862
	You stand with your back to the relay's hatch while the transfer goes through. The relay has taken this as a form of trust, and the Bank has come to treat it as a standing instruction. Ref. CIBT-2986-5260-2		
30 Nov	Interest at 3.70% APY	+341,576	115,046,438
	Your interest is paid in proportion to your balance, every month, to within a fraction of a second. You have never asked us to change this, and the Bank takes that silence as a form of trust. Ref. CIBT-2986-D77B-1

Highest 115,046,438 s · lowest 99,243,281 s

December 2985 November 2986

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
