Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
69,266,519 s	**+3,520,350 s**	**-699,039 s**	**72,087,830 s**

Date	Description	Amount (s)	Balance (s)
03 Jun	ATM withdrawal: London Sector	-172,800	69,093,719
	Your receipt from London Sector reads 172,800 and the balance reads 2 Standard days, and the Bank has been asked which of the two you intended to take. You took the second, and the first has been struck as a figure the machine was too keen to print. Ref. CIBT-2989-7C87-3		
10 Jun	ATM withdrawal: London Sector	-172,800	68,920,919
	You ask the machine for 61 denominations each time and then ask the counter for the change in one, and the machine has not once been asked to explain this. Ref. CIBT-2989-ED27-2		
16 Jun	Transfer to joint account	-325,699	68,595,220
	The Titan office pays its share of the joint transfer on the lake's own day, which begins when the ice lets the light through. The sum is posted here on the nearest Standard day, and both holders check the nearest one. Ref. CIBT-2989-D956-2		
16 Jun	Turbulence Cover	-19,640	68,575,580
	Late posting of the premium: the carrier's invoice arrived after the journey it described. The carrier says this is unusual and the Bank says it is correct. Both were paid, in the order they were received. Ref. CIBT-2989-7CA1-6		
18 Jun	Payroll credit: the Lagrange Four Commissary	+542,831	69,118,411
	The wage waited 30 days at London Sector while a second officer confirmed that the crew who earned it were the crew named on the contract. They were, and the Bank has been asked to say that it was glad to be asked. Ref. CIBT-2989-3169-1		
22 Jun	Slippage fee (London Sector, 9 transfers)	-8,100	69,110,311
	A fee of less than one second is entered as a dash. The statement reads the dash as nothing; the Bank reads it as a fee not yet due. Ref. CIBT-2989-1BD5-6		
24 Jun	Deposit: Hall E	+2,763,948	71,874,259
	No counter fee applies. The packet came back across the counter once for a missing signature, and the Bank does not charge a holder for a second trip, which it has learned to regard as a family custom whose reason has been mislaid. Ref. CIBT-2989-0856-1		
30 Jun	Interest at 3.70% APY	+213,571	72,087,830
	The second reviewer asked for this line to be rebuilt by a clerk who had not seen the first working. The two workings agree to the second, and the only difference between them is the clerk's initials. Ref. CIBT-2989-2458-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
