Period 1–31 January 2990
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
83,585,420 s	**+4,454,981 s**	**-607,521 s**	**87,432,880 s**

Date	Description	Amount (s)	Balance (s)
09 Jan	Memory Vault: box 72-837, quarter	-259,200	83,326,220
	The rent on the last statement was charged at the rate of the old sub-level. The box was moved 13 years ago and the rent restated in the first quarter, but the statement was not. The difference of 0.30 s has been credited below. Ref. CIBT-2990-FE0C-6		
11 Jan	Payroll credit: the Lagrange Four Commissary	+542,831	83,869,051
	Your pay was delayed 29 days because the employer's office was waiting for its own auditors, who were in another sector and expected to finish their session on the 11th. They finished, and the pay followed them. Ref. CIBT-2990-6BE4-3		
15 Jan	Turbulence Cover	-20,222	83,848,829
	The claim was held 30 Standard days while the carrier's log was compared with one written up afterwards, in a neater hand, which the underwriters wished to see first. The original log was filed stamped twice, once for each office that had touched it, and the delay was paid on it. Ref. CIBT-2990-ACCA-6		
17 Jan	Transfer to joint account	-325,699	83,523,130
	The joint balance is reconciled each month against both holders' sub-ledgers. Both agree with the total to the second, which the auditors note is unusual for two people. Ref. CIBT-2990-99C5-6		
22 Jan	Deposit: Hall E	+3,654,429	87,177,559
	Two signatures are on the envelope and a third on the slip, in an order the counter has never seen before. The auditors have checked each against the register and have found all three to be the holder's own, though one of them is a little more hurried. Ref. CIBT-2990-B0DE-3		
25 Jan	Slippage fee (The Belt, 8 transfers)	-2,400	87,175,159
	You send the 8 transfers in the order you thought of them, not the order you need them, and the relay has been reordering them every month since 2985. The reordering costs a few seconds, and you have never asked for it to be explained. Ref. CIBT-2990-F6F3-7		
31 Jan	Interest at 3.70% APY	+257,721	87,432,880
	Interest accrued on every day of the month, the quiet days included. It is paid now, with a note that the account was never idle: the interest was working, and it has been paid for the work. Ref. CIBT-2990-FACC-1		

Closing balance, month by month

Highest 87,432,880 s · lowest 68,570,593 s

February 2989 January 2990

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
