Date	Description	Amount (s)	Balance (s)
03 Aug	ATM withdrawal: Kepler Ring	-172,800	72,052,866
	The 3rd line was keyed as a deposit when it was a withdrawal, and the sign was carried into the balance. The balance has been restated. You neither gained nor lost anything that day, though the paper did for a while. Ref. CIBT-2991-6701-9		
07 Aug	ATM withdrawal: Kepler Ring	-86,400	71,966,466
	The withdrawal was made at Kepler Ring, where the local day had already turned over, so the machine logged it under tomorrow's date and this statement shows it under today's. Both dates are correct, and the difference is 22 hours long. Ref. CIBT-2991-82E9-5		
07 Aug	Transfer to own account: Kepler Ring	-3,403,051	68,563,415
	Settlement of a Chrono-Forex deal made on your instructions at the posted rate for the day. Ref. CIBT-2991-BE6A-7		
20 Aug	Turbulence Cover	-12,448	68,550,967
	Turbulence is measured by a gauge in the cable car's cabin, read to the nearest half-minute of jolt. A jolt of less than a half is not claimable and a jolt of a half or more is paid as a whole minute, which the underwriters call fair in a crude way. Ref. CIBT-2991-781A-8		
24 Aug	Transfer to joint account	-325,699	68,225,268
	A joint transfer is one sum sent by two people, and the second person is always the one who checks the first. The Teller has asked that this be printed where the officer can see it, and it is. Ref. CIBT-2991-7328-5		
28 Aug	Payroll credit: the Lagrange Four Commissary	+542,831	68,768,099
	Wages from the Lagrange Four Commissary crossed 6 clock boundaries on the way and arrived 30 Standard days late, though the clerk at Kepler Ring swears they left on time. The Bank has accepted the clerk's word and the arithmetic, which do not agree. Ref. CIBT-2991-A9D2-3		
31 Aug	Interest at 3.70% APY	+222,695	68,990,794
	Your employer's payroll reaches this account on the 31st, and interest runs from the day it arrives, not from the day it left the Lagrange Four Commissary. The payroll office has been told so and has replied that it is aware of the arrangement. Ref. CIBT-2991-F2AB-4
