Date	Description	Amount (s)	Balance (s)
06 Aug	ATM withdrawal: Titan	-172,800	56,388,255
	A withdrawal of 2 Standard days is charged in whole seconds, and the machine rounds each figure up when the fee is worked out, not down. The difference of 1,800 seconds has been charged to you, and the Bank has been unable to find a reason for the rule. Ref. CIBT-2995-AE9C-5		
09 Aug	Slippage fee (Titan, 2 transfers)	-600	56,387,655
	The officer at Hall E would like it noted that your 2 crossings this month were all made in one afternoon, which the officer has never seen anyone do on purpose. Ref. CIBT-2995-5C6E-0		
16 Aug	Transfer to joint account	-325,699	56,061,956
	A joint transfer dated the 16th arrived 30 days late. It had been sent on time. The holders had agreed in writing that it should wait until the second of them returned from a long walk, and she has. Ref. CIBT-2995-523F-1		
23 Aug	Payroll credit: the Lagrange Four Commissary	+542,831	56,604,787
	Overtime from the Lagrange Four Commissary for 28 days has been paid at the ordinary rate, the office having decided that overtime is a matter of attitude. The attitude was filed under 2993 and has not been revised. Ref. CIBT-2995-A1E3-1		
23 Aug	Deposit: Hall E	+5,124,809	61,729,596
	Deposit of 5,124,809 in cash, handed in at the Hall E counter by a messenger from the Lagrange Four Commissary, who asked for a receipt made out to the company. The messenger was given one made out to you, as the counter slip requires. Ref. CIBT-2995-50B0-2		
31 Aug	Interest at 3.70% APY	+174,396	61,903,992
	The fee for restating this line has been waived. The restatement was the Bank's error and not yours, and the Bank does not charge its depositors for correcting its own work. Ref. CIBT-2995-94EE-4

September 2994 August 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
