Date	Description	Amount (s)	Balance (s)
04 Jan	Slippage fee (Vancouver Sector, 1 transfers)	-900	81,741,864
	You have started sending a small transfer the moment the Vancouver Sector relay opens, ahead of the day's larger crossings. The rest of the day then goes through with less argument, and the officer on the counter has written this down as a sensible habit. Ref. CIBT-2998-1E5B-7		
08 Jan	Transfer to joint account	-325,699	81,416,165
	Your half of the transfer was sent from Vancouver Sector, where the relay had been asked to wait until both holders had met. They met on the 8th, and the transfer went through that afternoon. Ref. CIBT-2998-2354-6		
11 Jan	Deposit: Hall E	+1,240,274	82,656,439
	You make every deposit in the same proportions, one part to the current account and one part to each of your two savings accounts, and the Bank has learned to split the envelope before the Teller reaches it. The Teller says it is the tidiest sum she has seen since 2996. Ref. CIBT-2998-4CA4-6		
19 Jan	Payroll credit: the Lagrange Four Commissary	+542,831	83,199,270
	Under the rounding rule for salaried credits, a sum is taken to the whole day if it falls within 21 seconds of one. This credit fell 21 seconds outside that margin, and the remainder has been left with the employer, who has not asked for it. Ref. CIBT-2998-4065-7		
27 Jan	ATM withdrawal: Vancouver Sector	-259,200	82,940,070
	You take the first and last notes from each withdrawal at Vancouver Sector and leave the middle one in the slot. The custodian stopped retrieving it some years ago, and the Bank now records it as a donation to the machine. Ref. CIBT-2998-C44D-9		
28 Jan	Memory Vault: box 72-837, quarter	-259,200	82,680,870
	The holder asked whether the box could go a second quarter without inspection, and the Vault agreed, since the box had asked for no visit. The inspection has been carried forward at the box's own request. Ref. CIBT-2998-6FDE-1		
31 Jan	Interest at 3.70% APY	+252,040	82,932,910
	Each month you ask for the interest figure to be read aloud at the counter, and then ask for it again, more slowly. The Teller obliges both times and asks us to note that you have never disputed a single digit. Ref. CIBT-2998-4CC7-1		

Closing balance, month by month

February 2997 — January 2998

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
