Lumi Bellweather
Unit 104, Pallas Ring 10

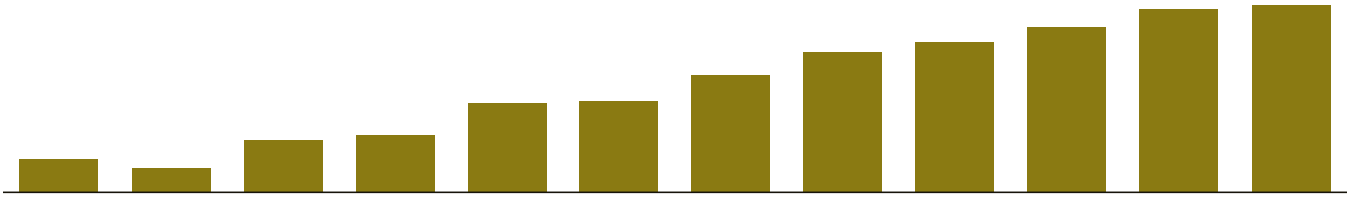

Account 8564-3324-1663
Period 1–31 July 2999
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
122,095,065 s	**+1,330,095 s**	**-608,124 s**	**122,817,036 s**

Date	Description	Amount (s)	Balance (s)
01 Jul	Turbulence Cover	-20,225	122,074,840
	Premium on a Turbulence Cover policy written at London Sector, where the local day is longer than yours. The policy is charged once each local day, so this month carries an extra premium, which the Bank has been unable to refuse. Ref. CIBT-2999-0A23-5		
04 Jul	Payroll credit: the Lagrange Four Commissary	+542,831	122,617,671
	Standing credit from the Lagrange Four Commissary, for the same sum as last month and the month before. Nothing in the remitter's file has altered since the first of the series, and the Bank has not asked it to. Repeats are posted as they arrive; the Bank is not in a position to say whether they will stop. Ref. CIBT-2999-4D6D-3		
08 Jul	Transfer to joint account	-325,699	122,291,972
	The auditors note that both holders have initialled every page of the joint statement, and that the initials agree with each other on every line. It is the only joint account they have seen in which the two hands never disagreed. Ref. CIBT-2999-0F49-8		
09 Jul	Slippage fee (London Sector, 5 transfers)	-3,000	122,288,972
	The Lagrange Four Commissary sends its remittances 5 crossings early, a habit the payroll office describes as diligence and the Bank records as 3,000 seconds of enthusiasm. Ref. CIBT-2999-8884-1		
12 Jul	Memory Vault: box 72-837, quarter	-259,200	122,029,772
	Box 72-837, quarterly rental. A recollection in the box dried at one corner at the last inspection; the custodian has pressed it flat and written the date on the back, which the Vault counts as a repair and not as a change. Ref. CIBT-2999-11EC-5		
22 Jul	Deposit: Hall E	+410,805	122,440,577
	Your deposit was counted to the whole second and came to 0.956 of a second more than the slip, a difference the Bank has never before found in your favour. The Teller has initialled the change and signed under it, which is the custom for a surplus. Ref. CIBT-2999-DDE0-4		
31 Jul	Interest at 3.70% APY	+376,459	122,817,036
	The month's interest is shown as one line by mistake. It was earned in two parts, one at the old rate and one at the new, and the statement now shows both lines and their dates. Ref. CIBT-2999-476C-9

August 2998 July 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
