Lumi Bellweather
Unit 121, Pallas Ring 10

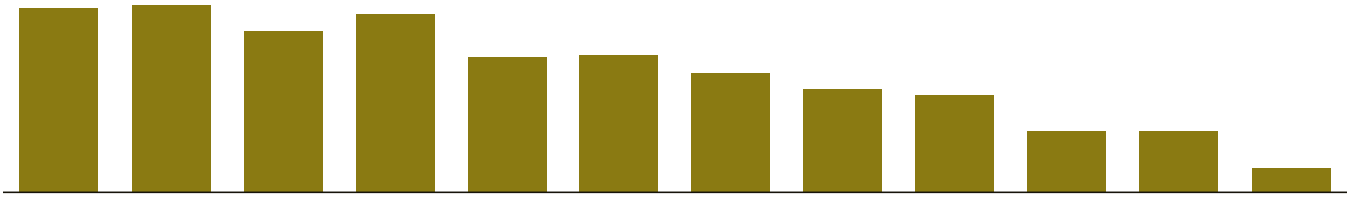

Account 8564-3324-1663
Period 1–31 December 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
138,044,804 s	**+968,469 s**	**-7,418,468 s**	**131,594,805 s**

Date	Description	Amount (s)	Balance (s)
01 Dec	Turbulence Cover	-16,263	138,028,541
	The carrier's apology arrived before the delay had ended, which the underwriters have logged as the first apology this year to be early. The claim was paid the same day the carrier arrived. Ref. CIBT-3003-9967-1		
18 Dec	Transfer to own account: Titan	-6,900,706	131,127,835
	Sundry charge for a second printing of this statement, which you asked for after the first had been read. The copy is 0.30 seconds dearer than the first, which the printing office attributes to the extra attention it was given. Ref. CIBT-3003-802A-7		
19 Dec	Transfer to joint account	-325,699	130,802,136
	Gale Ishikawa-Blue asked for a second copy of the joint statement to be posted to the other holder's address. The copy went at no charge. The Bank thanks the holders for keeping the postage down, and has not been asked to do so again. Ref. CIBT-3003-31FA-3		
24 Dec	Payroll credit: the Lagrange Four Commissary	+542,831	131,344,967
	The wage arrived in one lump, as the employer asked, and the Teller has written in the margin: one lump, not two, please note the lump. Ref. CIBT-3003-2AE5-5		
25 Dec	ATM withdrawal: Titan	-172,800	131,172,167
	The relay kept your request for 31 days, since the relay's rule is that a round sum must wait a day before it is trusted. Yours was round. Ref. CIBT-3003-AD71-5		
25 Dec	Slippage fee (Titan, 5 transfers)	-3,000	131,169,167
	The fee is 3,000 seconds, and the Teller would like it noted that she has been paid in seconds for longer than in anything else, and does not feel the worse for it. Ref. CIBT-3003-E51B-5		
31 Dec	Interest at 3.70% APY	+425,638	131,594,805
	The Titan portion of the account accrues at the local day's length, which runs 42 hours longer than the Head Office's, so one local day pays more than one day here. The statement converts the local figure to Head Office seconds and shows both, so that you can see the one the rate has earned. Ref. CIBT-3003-8548-5

January 3003 December 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
