Period 1–30 June 3012
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
105,472,567 s	**+495,292 s**	**-515,771 s**	**105,452,088 s**

Date	Description	Amount (s)	Balance (s)
03 Jun	Turbulence Cover	-13,672	105,458,895
	The Teller reports that the claim for the Lagos Sector crossing was first written in a hand that was quite steady, and then copied out again in the usual hand, which is less so. Both copies have been kept, and the premium is paid on the steadier one. Ref. CIBT-3012-FAB5-2		
15 Jun	ATM withdrawal: Lagos Sector	-172,800	105,286,095
	Auditors' query: why was the withdrawal of 2 Standard days recorded as cash when the receipt reads voucher? The machine was asked, and printed the receipt again, which still says voucher. Ref. CIBT-3012-09A6-2		
16 Jun	Deposit: Hall E	+170,085	105,456,180
	You deposit the same sum on the same weekday, the notes in the same order, and the officers have stopped counting the envelope aloud. The window now has the slip ready before you reach it, and you have never once queried it. Ref. CIBT-3012-A3DC-9		
21 Jun	Slippage fee (Lagos Sector, 6 transfers)	-3,600	105,452,580
	A fee of 3,600 s on the Lagrange Four Commissary's crossings was worked on the relay's reading before the Bank's own had been taken. The two readings differed by 19 seconds, and the fee has been restated on the Bank's. Ref. CIBT-3012-A8EE-7		
21 Jun	Transfer to joint account	-325,699	105,126,881
	The joint transfer was divided to the nearest second, and the odd second went to the holder named first on the mandate in 3009. That holder has since asked for it to be shared, and the Bank has shared it, to the half-second, which no one at the counter had thought to be possible. Ref. CIBT-3012-7169-3		
30 Jun	Interest at 3.70% APY	+325,207	105,452,088
	The depositor asked what the interest would be if the balance were left alone for a century. The clerk said it would be a great deal more interest, and that she would not be taking the question to the Rate Committee without a form. Ref. CIBT-3012-36FD-1

July 3011 June 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
