| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 13 Jan | Deposit: Hall E | +14,171,920 | 161,558,972 |
| | The coins in this envelope came in the order of their age, earliest first, and nobody at the window had asked for them to be sorted that way. The Teller has noted the order on the slip, in case it is ever needed again, and the order was not disturbed. Ref. CIBT-3000-AC8C-0 | | |
| 16 Jan | Turbulence Cover | -20,826 | 161,538,146 |
| | The 3-minute delay between Svalbard and Pallas Ring 10 was caused by a second carrier's delay at the same dock, which had itself been caused by the first. The policy pays for the first delay only, and the first is the one that was paid. Ref. CIBT-3000-2815-3 | | |
| 17 Jan | ATM withdrawal: Svalbard | -172,800 | 161,365,346 |
| | You take days from the machine at Svalbard rather than from the counter, always the smallest denomination it offers. The officer at Hall E asked whether this is a preference or a principle. You said it was a habit, which is the same thing with less paperwork. Ref. CIBT-3000-113F-4 | | |
| 17 Jan | Slippage fee (Svalbard, 7 transfers) | -2,100 | 161,363,246 |
| | The auditors have checked that each second on this line was charged once, and found one that was charged twice, once on arrival and once on departure. The Bank does not regard that as a double charge, since the second was not the same second on the way back. Ref. CIBT-3000-D9F2-0 | | |
| 24 Jan | Transfer to joint account | -1,571,493 | 159,791,753 |
| | Each quarter 8564-7165-3209 receives 1,571,493 toward the rent of a boat at Svalbard that you have not seen and Folke Oyelaran has visited twice. The rent is paid on the first morning of the quarter, while a clerk was teaching himself the bagpipes from a book in the back room. Ref. CIBT-3000-6A09-9 | | |
| 28 Jan | ATM withdrawal: Svalbard | -259,200 | 159,532,553 |
| | A receipt for 259,200 was found folded inside the tray at Svalbard, unclaimed. It has been placed in your file, where it is safer than it was. Ref. CIBT-3000-135F-8 | | |
| 31 Jan | Interest at 3.30% APY | +405,314 | 159,937,867 |
| | Your credit at Svalbard accrued at the local office's rate and was converted to ours on the day it was posted. The local rate was higher and the conversion lower; the two have been reconciled to the second. Ref. CIBT-3000-2785-9 | | |

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
