Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
2,244,008,846 s	**+7,854,030 s**	**-116,472,985 s**	**2,135,389,891 s**

Date	Description	Amount (s)	Balance (s)
05 Mar	Transfer to own account: Svalbard	-116,441,827	2,127,567,019
	Belt Ore Consolidated's payroll office sent 116,441,827 to this account in error, believing it to be the account of a former colleague. The sum has been returned to the office, which asked us to confirm that you did not spend it. You did not, and the Bank has said so in writing. Ref. CIBT-2995-C281-9		
08 Mar	Turbulence Cover	-25,758	2,127,541,261
	The Teller has asked that the premium be described as modest, since she was the one who had to read the sum aloud at the counter. Ref. CIBT-2995-8D61-4		
10 Mar	Slippage fee (Svalbard, 9 transfers)	-5,400	2,127,535,861
	You have never paid a slippage fee in a round number of seconds. The Bank suspects you of arranging it, and it has not yet been able to prove the arrangement, which is kept in the Settlement Reserve with the rest. Ref. CIBT-2995-CD9B-5		
31 Mar	Interest at 4.20% APY	+7,854,030	2,135,389,891
	The interest on the 31st was reversed because a digit in the rate had been read from the wrong column of the schedule. The correct figure is 4.20% APY, the difference has been credited with a note, and the column has been labelled, in case anyone else reads it that way. Ref. CIBT-2995-4553-6		

Closing balance, month by month

April 2994 March 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
