| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 02 Feb | Payroll credit: Harbourfront Shipping | +146,383 | 26,310,237 |
| | Harbourfront Shipping takes 0.30 s from each wage for a locker it rents you on the sub-level, a locker you have never opened. The rent has come out of the wage on every payday since 2999, and the locker is presumably still shut. Ref. CIBT-3003-2EE9-3 | | |
| 07 Feb | ATM withdrawal: Kepler Ring | -259,200 | 26,051,037 |
| | 3 Standard days withdrawn at Kepler Ring, where the machine stands in the arrivals hall between the lifts and is used mostly on the day of arrival. Cash was held in the room where the spare forms are kept while the relay confirmed the balance, and was paid out in full. Ref. CIBT-3003-3550-3 | | |
| 07 Feb | Transfer to joint account | -87,829 | 25,963,208 |
| | Joint transfers to Kepler Ring leave by the morning relay, which reaches the station after the local day has begun. The holders receive the statement a day late and do not mind. They say it is the only day on which both of them are early. Ref. CIBT-3003-77D3-7 | | |
| 19 Feb | Slippage fee (Kepler Ring, 9 transfers) | -5,400 | 25,957,808 |
| | You time each transfer against the station clock in the window and tell the officer the gap before she has read it out. You have been right on 9 occasions this year, which the officer regards as a respectable average for a customer with a watch. Ref. CIBT-3003-91AD-7 | | |
| 24 Feb | Transfer to own account: Kepler Ring | -353,496 | 25,604,312 |
| | Sundry charge for a second printing of this statement, which you asked for after the first had been read. The copy is 0.30 seconds dearer than the first, which the printing office attributes to the extra attention it was given. Ref. CIBT-3003-8F96-5 | | |
| 28 Feb | Interest at 4.20% APY | +91,573 | 25,695,885 |
| | Interest under one whole second in a month is not paid but accrued, and the accrual is paid out on the first working day of the year. This year it came to 49 seconds, handed over in a small envelope with a length of narrow tartan ribbon. Ref. CIBT-3003-30A9-9 | | |

March 3002 February 3003

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
