Opening balance	Credits	Debits	Closing balance
14,336,611 s	**+244,787 s**	**-1,126,602 s**	**13,454,796 s**

Date	Description	Amount (s)	Balance (s)
01 Sep	ATM withdrawal: London Sector	-259,200	14,077,411
	For 21 minutes the machine at London Sector kept your card while it decided whether the previous customer had left it in the slot. The previous customer had, with some ceremony, and the card was released with the same ceremony. Ref. CIBT-2995-06F3-0		
05 Sep	Slippage fee (London Sector, 2 transfers)	-1,800	14,075,611
	A depositor at the next desk asked whether slippage was a tax. The officer said it was not, and that taxes at least had the courtesy of being collected on a known day. Ref. CIBT-2995-CA28-5		
07 Sep	Payroll credit: Cloudport Aerostat Lines	+204,167	14,279,778
	The slippage fee on the Cloudport Aerostat Lines wage has been waived. The wage crossed two clocks on its way to you, and nobody at the branch could say why the crossing was free. The Fees Office has been asked to find out and has not yet replied. Ref. CIBT-2995-3886-4		
09 Sep	ATM withdrawal: London Sector	-259,200	14,020,578
	Auditors' query: why was the withdrawal of 3 Standard days recorded as cash when the receipt reads voucher? The machine was asked, and printed the receipt again, which still says voucher. Ref. CIBT-2995-5E7C-1		
14 Sep	Transfer to own account: London Sector	-459,399	13,561,179
	The credit from Zeno Bellweather was held 28 days at the London Sector office while the sender's clerk confirmed that the reference had been copied as it appeared on the form. It had, and the sum has been posted in full. Ref. CIBT-2995-5063-3		
20 Sep	Transfer to joint account	-122,500	13,438,679
	A standing sum of 122,500 leaves the joint account each quarter for 8564-5342-2052, the subscription of a choir whose members are the holders' former colleagues. The choir has not sung since 2994, but it has never once failed to receive the payment. Ref. CIBT-2995-BDC6-2		
28 Sep	Turbulence Cover	-24,503	13,414,176
	A passenger who boards at London Sector is insured from the first gate to the last, and the gate is timed by the local day. The underwriters ask that the gate be read by a porter on that world, who is not on any register of ours. Ref. CIBT-2995-F269-8		
30 Sep	Interest at 3.40% APY	+40,620	13,454,796
	The rate was applied to the balance and the product rounded down, always and never up. A second owed is a second kept, and this statement was drawn on that view. Ref. CIBT-2995-A177-1		

Closing balance, month by month

Highest 23,540,368 s · lowest 13,454,796 s

October 2994 — September 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
