Date	Description	Amount (s)	Balance (s)
05 Jul	Transfer to own account: Ganymede	-4,315,334	90,764,354
	A sundry delayed 30 days by a dispute over which office should bear it. Hall E maintained that Ganymede should; Ganymede said the Bank should. The Bank has now borne it, and the charge appears here with a note that the matter is closed. Ref. CIBT-2947-2F33-6		
10 Jul	ATM withdrawal: Ganymede	-86,400	90,677,954
	"The machine is always right," the Teller says, "which is why nobody thinks to thank it." She says this to everyone who draws from Ganymede, and has not yet been asked to stop. Ref. CIBT-2947-FDE5-4		
13 Jul	Slippage fee (Ganymede, 2 transfers)	-1,200	90,676,754
	Your transfers were routed through Ganymede because the direct relay is closed for maintenance. The Bank does not charge for the detour itself, though the extra seconds spent on the road are charged, and this month they came to 300. Ref. CIBT-2947-43EB-2		
18 Jul	Memory Vault: box 85-427, quarter	-259,200	90,417,554
	The rent for box 85-427 crossed 47 relays between Ganymede and Hall E, and each relay checked that the box was still in its drawer before passing the coins on. The checks took 30 Standard days, and the box was found in its drawer at every stop. Ref. CIBT-2947-9935-2		
24 Jul	ATM withdrawal: Ganymede	-86,400	90,331,154
	A machine cannot dispense cash-time it does not hold: the time for this withdrawal was delivered by courier on the 24th and counted in the presence of two officers, as the Cash Logistics schedule requires. Ref. CIBT-2947-37E5-2		
31 Jul	Interest at 4.00% APY	+316,932	90,648,086
	Interest accrued on every day of the month, the quiet days included. It is paid now, with a note that the account was never idle: the interest was working, and it has been paid for the work. Ref. CIBT-2947-F4CB-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
