Period 1–31 May 2948
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
150,329,890 s	**+1,605,439 s**	**-3,758,544 s**	**148,176,785 s**

Date	Description	Amount (s)	Balance (s)
13 May	Slippage fee (Callisto, 4 transfers)	-2,400	150,327,490
	Note for the auditors: the 1,500-second difference on this line is the rounding of the relay's 4 crossings, which the relay rounds up and the Head Office rounds down. The difference has been split, and the auditors have accepted the split as a compromise nobody proposed. Ref. CIBT-2948-AB91-2		
14 May	Payroll credit: Harbourfront Shipping	+1,104,340	151,431,830
	The Harbourfront Shipping pay reached Hall E in a bundle of envelopes, one for each month since your account was opened. The Teller counted the envelopes and then the sums inside them, and found both correct, which she describes as a rare result on a Monday. Ref. CIBT-2948-2065-0		
16 May	ATM withdrawal: Callisto	-259,200	151,172,630
	The auditors sampled this withdrawal at Callisto. The cash in the machine agreed with its log to the note, and they have asked the machine to print the log with the receipt in future. It has declined, on the grounds that nobody reads logs. Ref. CIBT-2948-0CA1-4		
20 May	Transfer to own account: Callisto	-3,496,944	147,675,686
	A sundry of 3,496,944 from Callisto came in cycles and was converted at the local rate, which was posted in the morning and withdrawn by the afternoon. The morning's rate stands; the officer says the afternoon was for the local office to deal with. Ref. CIBT-2948-91E4-2		
31 May	Interest at 4.00% APY	+501,099	148,176,785
	The interest on your deposit is credited on the 31st of each month. The deposit was opened in 2945 and has not been touched since. It arrives on time, and the Teller says it is the most reliable thing about you. Ref. CIBT-2948-E597-9		

Closing balance, month by month

June 2947 May 2948

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
