Date	Description	Amount (s)	Balance (s)
06 Jul	ATM withdrawal: Kepler Ring	-259,200	176,893,739
	The withdrawal due on the 6th at Kepler Ring was paid a day early, because the machine could not dispense on the day itself. The balance was made up the following morning, in full, and nobody waited. Ref. CIBT-2952-0592-8		
14 Jul	ATM withdrawal: Kepler Ring	-172,800	176,720,939
	Your withdrawal at Kepler Ring is the last thing the machine does before the custodian goes off shift, and he waits for it with his coat on. He says it is the only transaction on the concourse he is paid to watch. Ref. CIBT-2952-DDD7-9		
15 Jul	Memory Vault: box 85-427, quarter	-259,200	176,461,739
	The Vault's rule on boxes that outlive their holders is in the agreement's last clause. Box 85-427 is paid up under the same name, spelled as it was in 2949, which the custodians do not consider a difficulty. Ref. CIBT-2952-4479-6		
20 Jul	Transfer to own account: Kepler Ring	-6,635,493	169,826,246
	A sundry on this statement was entered twice, once in the morning and once in the afternoon, and both entries were correct. The Bank has struck one and left the other, which you may keep as a record of a busy day. Ref. CIBT-2952-4948-7		
24 Jul	Payroll credit: Harbourfront Shipping	+1,104,340	170,930,586
	The remittance from Harbourfront Shipping arrived with its advice attached upside down. The clerk turned it the right way up, and the advice then agreed with the credit, which the clerk regards as the proper order of things. Ref. CIBT-2952-FCF6-1		
31 Jul	Interest at 4.00% APY	+590,509	171,521,095
	Interest is calculated to the tenth of a second and paid to the whole second. The tenths are collected each year into a line of their own, which the officer calls the depositor's fortune, though nobody has yet found a way to spend it. Ref. CIBT-2952-468A-7		

Closing balance, month by month

August 2951 July 2952

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
