| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 02 Jul | Memory Vault: box 85-427, quarter | -259,200 | 126,805,477 |
| | The counter has been asked whether box 85-427 was missed on the 2nd. It was not. It was quiet, and the Vault does not count quiet as missing. Ref. CIBT-2958-D587-8 | | |
| 05 Jul | Transfer to own account: Singapore Sector | -4,920,935 | 121,884,542 |
| | Charged by Singapore Sector, which bills for the paper a transfer is written on, counted in days, that being the unit paper is counted in on that world. The Bank has converted the charge into seconds and returned the remainder to the office with a covering note. Ref. CIBT-2958-0732-0 | | |
| 09 Jul | ATM withdrawal: Singapore Sector | -86,400 | 121,798,142 |
| | The Singapore Sector machine pays in days and reports in seconds. Your withdrawal of 86,400 was entered 28 days after it was made, when the local day had caught up with ours, and the sum did not change in the meantime, which the Bank regards as the machine's chief virtue. Ref. CIBT-2958-18C4-0 | | |
| 12 Jul | ATM withdrawal: Singapore Sector | -172,800 | 121,625,342 |
| | Withdrawals at Singapore Sector are dated by the local day, which begins 4 hours before ours. A draw made just after midnight there is shown on the previous day here, as the Bank's arrangement with the relay requires. Ref. CIBT-2958-EC4C-1 | | |
| 13 Jul | Slippage fee (Singapore Sector, 4 transfers) | -3,600 | 121,621,742 |
| | The officer at Hall E would like it noted that your 4 crossings this month were all made in one afternoon, which the officer has never seen anyone do on purpose. Ref. CIBT-2958-B76C-8 | | |
| 15 Jul | Turbulence Cover | -16,540 | 121,605,202 |
| | Harbourfront Shipping stopped paying the Turbulence premium on the 15th, the day your posting ended. The policy continues in your name from that day, and the first premium you pay yourself is 16,540. Ref. CIBT-2958-A739-4 | | |
| 28 Jul | Payroll credit: Harbourfront Shipping | +1,104,340 | 122,709,542 |
| | Credited on the 28th: the Harbourfront Shipping wage. The Teller asks us to say that the amount was correct and that she did not count it a second time, out of respect for the employer, whose clerks count very carefully. Ref. CIBT-2958-9499-9 | | |
| 31 Jul | Interest at 4.00% APY | +423,548 | 123,133,090 |
| | Your monthly interest slip is printed on the first morning of the month and left at the Hall E counter with the date in the corner. You collect it on the 31st and file it in the drawer marked for slips that are kept rather than read. Ref. CIBT-2958-F7F1-0 | | |

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
