Date	Description	Amount (s)	Balance (s)
07 Jun	ATM withdrawal: Venus	-172,800	161,912,120
	Harbourfront Shipping keeps a machine at its dock for staff paid before the end of a shift, and this withdrawal was of wages already credited to you. The Bank does not charge twice for money that was owed to you in the first place. Ref. CIBT-2970-5EAF-7		
13 Jun	ATM withdrawal: Venus	-172,800	161,739,320
	The withdrawal was held for 30 days at Venus, while the machine's operator, who had been on leave, confirmed that the notes were the Bank's and not a loan from the local office. They were the Bank's, and the operator has since gone back on leave. Ref. CIBT-2970-DFD2-6		
17 Jun	Turbulence Cover	-14,513	161,724,807
	The turbulence happened on time, but the report of it reached the branch 31 days after the journey, because it was filed in the carrier's own calendar. That calendar runs one week behind ours. Both calendars are correct about the week. Ref. CIBT-2970-D4C0-5		
17 Jun	Transfer to own account: Venus	-15,258,756	146,466,051
	Held 28 days at the Venus desk while its officer attended a meeting about the desk's own clock, the sundry has been credited from the day it was raised. The meeting ran long; the desk did not. Ref. CIBT-2970-73E7-0		
27 Jun	Payroll credit: Harbourfront Shipping	+1,104,340	147,570,391
	Harbourfront Shipping keeps its pension top-up on the same line as your wage, because the firm has never seen a reason to separate its wages from its kindness, and the Bank has not been asked to separate them either. Ref. CIBT-2970-3ECC-4		
30 Jun	Interest at 4.00% APY	+540,283	148,110,674
	Interest at 4.00% APY, accrued every second and posted at the close of the Pallas Ring 10 day. Ref. CIBT-2970-8DC7-6

July 2969 June 2970

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
