| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 10 Jan | ATM withdrawal: Venus | -259,200 | 151,746,182 |
| | You draw 3 Standard days at Venus on the 10th of each month, and the receipt reads "as before." The machine has printed those two words since 2978, and you have never once asked it for more. Ref. CIBT-2980-9181-2 | | |
| 12 Jan | Deposit: Hall E | +7,191,773 | 158,937,955 |
| | The deposit was entered as 7,191,773, which is the sum on the slip with its last figure dropped. That figure was a fraction of a second, and fractions of a second are kept, not deposited. Ref. CIBT-2980-505E-4 | | |
| 25 Jan | Memory Vault: box 85-427, quarter | -259,200 | 158,678,755 |
| | The rent was paid in full at the counter. The custodian observed that the box has now been paid for longer than the holder has lived at the address on file, and the holder agreed, and asked for the file to be corrected. Ref. CIBT-2980-0A74-1 | | |
| 29 Jan | Payroll credit: Harbourfront Shipping | +1,104,340 | 159,783,095 |
| | The wages were held 29 days at Hall E while a second officer confirmed the employer's signature, which the first officer found too neat to trust. The second officer found it genuine, and it is the same hand as before. Ref. CIBT-2980-1CB8-9 | | |
| 31 Jan | Interest at 4.00% APY | +506,684 | 160,289,779 |
| | You leave the interest on deposit until the last second of each month and then ask for it in days, which the Bank counts out for you, slowly. The interest is paid every month. The coins are a courtesy the Bank has come to enjoy. Ref. CIBT-2980-3352-6 | | |

February 2979 January 2980

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
