Period 1–31 July 2989
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
116,010,440 s	**+1,491,041 s**	**-12,023,339 s**	**105,478,142 s**

Date	Description	Amount (s)	Balance (s)
05 Jul	Slippage fee (The Belt, 7 transfers)	-2,100	116,008,340
	A crossing to the Belt lighthouse relay is charged in full, though the relay cannot see the lighthouse. The keeper reports the light each night and the Bank takes his word, since he has not once been wrong in 36 years at the post. Ref. CIBT-2989-AE74-1		
22 Jul	Memory Vault: box 85-427, quarter	-259,200	115,749,140
	You confirm the seal on box 85-427 on the way in and again on the way out, every visit, and the two checks have not once disagreed. The custodian on the Belt sub-level has stopped asking whether you would like them recorded. Ref. CIBT-2989-15D4-2		
23 Jul	Transfer to own account: The Belt	-11,762,039	103,987,101
	"I wrote 'as discussed' in the reason box," the holder says, "and the officer agreed that was a reason." The Bank has accepted the phrase, which is now on file for the purpose. Ref. CIBT-2989-ED01-4		
27 Jul	Payroll credit: Harbourfront Shipping	+1,104,340	105,091,441
	The credit from Harbourfront Shipping, sent through The Belt, was struck in shifts, rounded down to the whole, and converted at the rate posted for the day of the crossing. It was then kept under the blotter, beside the spare ink until the local morning arrived. Ref. CIBT-2989-00E0-3		
31 Jul	Interest at 4.00% APY	+386,701	105,478,142
	Every quarter you ask what the interest would have been if it had been paid out, a question the Bank answers in full and that you have never acted on. The answers are kept in a folder with your name on it, and the folder is getting thick. Ref. CIBT-2989-A2D6-7

August 2988 July 2989

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
