Mara Ravensworth-Wetherby
Unit 296, Pallas Ring 10

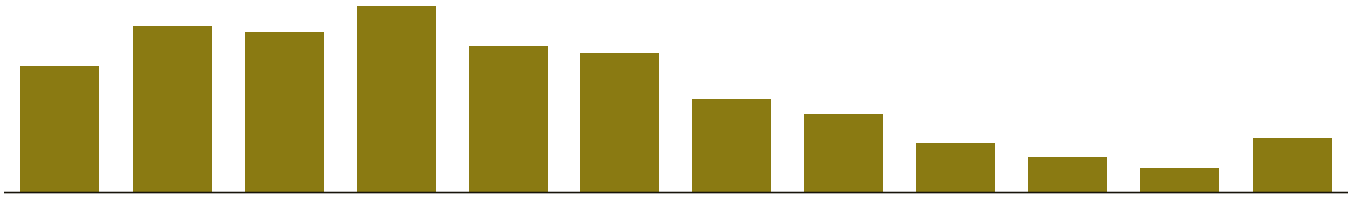

Account 8564-4142-8708
Period 1–31 August 3010
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
127,950,708 s	**+8,311,839 s**	**-180,000 s**	**136,082,547 s**

Date	Description	Amount (s)	Balance (s)
04 Aug	ATM withdrawal: Mars Station	-86,400	127,864,308
	The first note the machine offers is left in the slot, every time, for the next customer; the second is yours. Ref. CIBT-3010-A551-6		
13 Aug	Slippage fee (Mars Station, 8 transfers)	-7,200	127,857,108
	You send the 8 transfers in the order you thought of them, not the order you need them, and the relay has been reordering them every month since 3005. The reordering costs a few seconds, and you have never asked for it to be explained. Ref. CIBT-3010-978C-1		
16 Aug	Payroll credit: Harbourfront Shipping	+1,104,340	128,961,448
	You have always taken your wages from Harbourfront Shipping in the old notes, the ones with square corners. The payroll office sends them at some expense, by a courier who is now on first-name terms with the counter. The courier has asked whether the notes could be made less square. The office has said no. Ref. CIBT-3010-6A10-2		
16 Aug	ATM withdrawal: Mars Station	-86,400	128,875,048
	You take the cash at Mars Station and drop it straight into the lobby box in the same minute, all of it. The box is locked, the key is kept by the Teller, and no one has yet asked her for it back. Ref. CIBT-3010-AA96-7		
21 Aug	Deposit: Hall E	+6,780,997	135,656,045
	The three-tenths of a second that the envelope held over the whole sum has not been lost. It has been added to your rate for the day, where it will be paid out with interest, as a fraction is paid out in this Bank: slowly, and with its own paperwork. Ref. CIBT-3010-081F-9		
31 Aug	Interest at 4.00% APY	+426,502	136,082,547
	Harbourfront Shipping asked for its share of your interest to be paid in the firm's own unit, which the Bank does not hold. The sum was converted at the posted rate on the day it arrived, and the firm has been told its unit is safe with us. Ref. CIBT-3010-C98A-1

September 3009 August 3010

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
