Opening balance	Credits	Debits	Closing balance
129,795,832 s	**+992,298 s**	**-11,641,085 s**	**119,147,045 s**

Date	Description	Amount (s)	Balance (s)
10 Jan	Transfer to own account: Lagos Sector	-11,233,728	118,562,104
	St. Catherine Bakeries raised the sundry against your wage for a replacement lanyard, a charge the office says it meant to explain to you in 2975. The explanation is attached: the lanyard was yours, and the replacement was your idea. Ref. CIBT-2979-6057-9		
13 Jan	Transfer to joint account	-381,216	118,180,888
	The auditors compared the joint statements with the household's own copies. They agree, except for one line in Kesi Quaresma's hand that reads "see me". The line has been left as written, and nobody has yet been seen. Ref. CIBT-2979-40BF-5		
17 Jan	Payroll credit: St. Catherine Bakeries	+635,360	118,816,248
	The rounding on your St. Catherine Bakeries wages was applied twice across two periods in 2978, taking 0.976 from the pay in error. That 0.976 has been restored to the next credit, which is the only correction the rounding rule allows. Ref. CIBT-2979-96AF-5		
18 Jan	Temporal Health Plan	-26,141	118,790,107
	Your cover on Lagos Sector is billed in days and converted at the rate of the day the care was given. That rate was not one the plan set, and it has been used as published. Ref. CIBT-2979-4C9F-5		
31 Jan	Interest at 3.30% APY	+356,938	119,147,045
	Monthly interest was rounded to the second and the balance to the minute, so the balance shown is 27 seconds above what the interest adds up to. The officer confirms that the balance is the one you may spend and the interest is the one you were paid, and that the two are not required to agree. Ref. CIBT-2979-23BB-2		

Closing balance, month by month

February 2978 January 2979

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
