Date	Description	Amount (s)	Balance (s)
02 May	Transfer to own account: Singapore Sector	-1,629,411	97,545,003
	You have brought in the same sundry on each Thursday since 2984, and the officer now sets the slip out before you reach the counter. The slip is filled in, the figure is correct, and it is the only sundry the Bank has ever had ready for you. Ref. CIBT-2986-057F-3		
05 May	Transfer to joint account	-381,216	97,163,787
	On the 5th the account number was printed as 8564-6350-6878 where it should have been 8564-4167-8708. The two accounts share a holder but not a balance, so the amount stays where it is and only the label has changed. Ref. CIBT-2986-C6B2-4		
10 May	ATM withdrawal: Singapore Sector	-86,400	97,077,387
	A line on your last statement dated this withdrawal to the day before, because the machine's clock had been set by hand after a fault. It was made on the day shown here. The machine has been set to agree with the branch clock, which took the custodian 31 Standard days and a ladder. Ref. CIBT-2986-D574-5		
14 May	Payroll credit: St. Catherine Bakeries	+635,360	97,712,747
	The slippage fee of 0.30 has been waived on this credit from St. Catherine Bakeries, the remitter and this branch having been on the same second for the whole transfer. A waiver of this kind is noted in the ledger and is not a precedent. Ref. CIBT-2986-7A64-3		
27 May	Temporal Health Plan	-20,092	97,692,655
	The plan's cover runs on every world it lists, and Singapore Sector was added to the list this month. The change has been made without a premium adjustment, which the plan says is what the list is for. Ref. CIBT-2986-9669-9		
31 May	Interest at 3.30% APY	+272,729	97,965,384
	The interest on a deposit held in two parts is rounded for each part and the parts added, so the total can run a second above the sum of the balances. The Bank has agreed this with itself and considers the extra second a courtesy. Ref. CIBT-2986-913F-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
