Date	Description	Amount (s)	Balance (s)
04 Aug	ATM withdrawal: London Sector	-86,400	99,305,741
	The receipt for the 4th was posted 28 days late, because the relay at London Sector wished to be sure the machine had not been asked the same question twice. It had not. The relay was satisfied, and has asked for the question to be recorded in case it arrives again. Ref. CIBT-2999-50F5-5		
06 Aug	Slippage fee (London Sector, 2 transfers)	-1,200	99,304,541
	A customer at the next window asked why her slippage was lower than yours. The officer explained that she had made fewer crossings, and that you had made one more, and that the Bank was not in a position to comment further. Ref. CIBT-2999-B638-8		
09 Aug	ATM withdrawal: London Sector	-172,800	99,131,741
	You fold each receipt along the same crease before it goes into your coat. The custodian notes the crease, and has never needed to look at the receipt itself. Ref. CIBT-2999-8CE7-8		
14 Aug	Transfer to own account: London Sector	-3,530,165	95,601,576
	A cheque drawn on the joint account was presented at the counter in the morning and returned in the afternoon, with a note from the Teller: "Not today, but thank you for asking." The Bank has no further record of it. Ref. CIBT-2999-9014-7		
21 Aug	Transfer to joint account	-381,216	95,220,360
	You take the joint statement to the window unopened. The officer opens it, and you read the total before she does. Neither of you has ever explained the custom. Ref. CIBT-2999-B91C-0		
24 Aug	Event II restoration adjustment	-72,083	95,148,277
	Event II restoration adjustment. Your account is in restoration group 17; groups are restored in the order the Task Force sets, and earlier groups may be adjusted again. Ref. CIBT-2999-5C30-0		
27 Aug	Payroll credit: St. Catherine Bakeries	+635,360	95,783,637
	The St. Catherine Bakeries pay for last month was posted to the period before, because the payroll office dated its remittance by the day it left London Sector, not the day it arrived. The posting has been moved forward, and the interest on it adjusted by 900 s. Ref. CIBT-2999-5CB8-3		
28 Aug	Temporal Health Plan	-36,094	95,747,543
	You have attended your eye examination on the 28th of every year since 2996 and have asked each time to read the lower lines first. The optician records this as a preference, and has never needed to be told which line you mean. Ref. CIBT-2999-AA6E-4		
31 Aug	Interest at 3.30% APY	+273,328	96,020,871
	The period's rate was rounded to the nearest quarter of a percent in the posting, and on this balance the difference comes to 50 seconds, which the Bank has credited to you without being asked. Ref. CIBT-2999-DC56-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
