Hollis Thistlewood
Unit 4, Pallas Ring 10

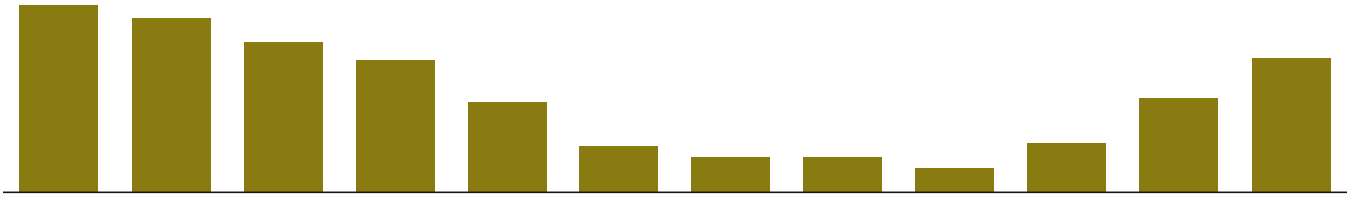

Account 8564-4167-8708
Period 1–30 June 3000
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
75,299,358 s	**+10,995,924 s**	**-501,203 s**	**85,794,079 s**

Date	Description	Amount (s)	Balance (s)
02 Jun	Temporal Health Plan	-30,887	75,268,471
	The plan's officer rang to say the claim was in order. She added that she had been expecting to make that call for 29 days, and was pleased to find herself right. Ref. CIBT-3000-7010-5		
12 Jun	Transfer to joint account	-381,216	74,887,255
	A transfer to 8564-6350-6878 sent from Venus was paid in days and converted at the joint account's rate, which the local office applies a day behind its own calendar. The conversion is correct; the day was not, and the statement has been adjusted to the day the money left. Ref. CIBT-3000-E5C0-2		
15 Jun	Payroll credit: St. Catherine Bakeries	+635,360	75,522,615
	For St. Catherine Bakeries, rounding is done to the nearest whole hour of the employer's own shift, so a shift of 29 hours and a fraction is paid as 29 hours. The fraction is forgiven, which the employer calls rounding and the Bank calls the shift. Ref. CIBT-3000-43A8-9		
23 Jun	ATM withdrawal: Venus	-86,400	75,436,215
	The cash-time at Venus waited 28 days, because the machine had been told to pay out only after the concourse lamps were lit at last, and the lamps were late. Ref. CIBT-3000-F095-3		
23 Jun	Slippage fee (Venus, 9 transfers)	-2,700	75,433,515
	The Bank cannot make 9 crossings cost less, but it has noticed that they cost less when nobody remembers sending them. That is why the fee for the quarter is smaller than you were expecting. Ref. CIBT-3000-009F-8		
26 Jun	Deposit: Hall E	+10,153,491	85,587,006
	Mars deposits made on the Standard day are credited in the Mars sol that follows, which is longer, so the holder's money earns a little more on the red planet than it would on ours. The Mars desk has asked that this be called a pleasantry. Ref. CIBT-3000-0544-0		
30 Jun	Interest at 3.30% APY	+207,073	85,794,079
	You asked whether the interest would rise if you left it alone, were told it would, and then left it alone for a further 4 periods to see. It has risen, and the Teller says she was not surprised, though she said so quietly. Ref. CIBT-3000-D0E3-1		

Closing balance, month by month

July 2999 June 3000

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
