Unit 247, Pallas Ring 10

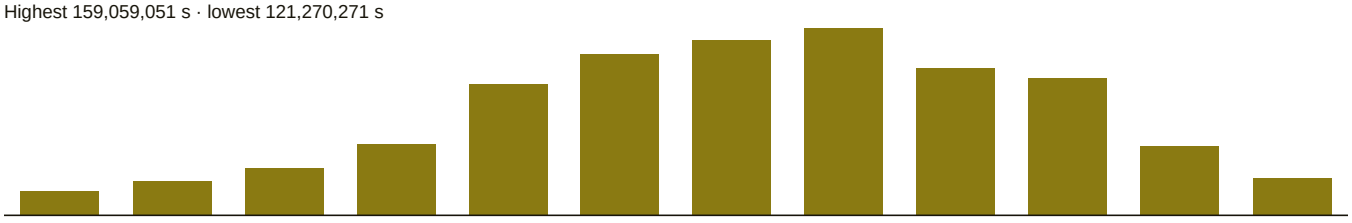

Account 8564-4167-8708
Period 1–31 January 3012
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
131,795,590 s	**+362,437 s**	**-7,843,403 s**	**124,314,624 s**

Date	Description	Amount (s)	Balance (s)
04 Jan	Temporal Health Plan	-30,431	131,765,159
	Physiotherapy is paid to the whole session, so a session that runs 41 minutes over is still one session. The overrun have been noted on the file, and the clinic has noted them in its own book as an extra, which is the other way to count them. Ref. CIBT-3012-B640-8		
06 Jan	Transfer to joint account	-381,216	131,383,943
	Joint account 8564-6350-6878 was opened in 3010 by a holder who has since moved to Io. The second holder keeps the account at Hall E and sends the transfer the other way round, so the two halves have never once met in the same office. Ref. CIBT-3012-24AE-4		
07 Jan	ATM withdrawal: Io	-86,400	131,297,543
	Auditors' reconciliation of the Io machine for the month agrees with the machine's log, the branch ledger and the custodian's count. The auditors asked whether any two could be wrong together, and were told that they could not, since each was checked against the others. Ref. CIBT-3012-51DE-7		
09 Jan	Transfer to own account: Io	-7,258,956	124,038,587
	The Bank converts a sundry from cycles by taking the posted rate to four places and rounding to two. A charge that began as a whole number may therefore end a second short of where it began, which is the rule and not an error. Ref. CIBT-3012-CBD9-6		
16 Jan	ATM withdrawal: Io	-86,400	123,952,187
	The withdrawal was made at the machine in the foyer of St. Catherine Bakeries's offices at Io. The firm has asked that the machine be recorded as its own. It has been recorded as the Bank's, which the firm has been told is the same machine. Ref. CIBT-3012-91BF-0		
31 Jan	Interest at 3.30% APY	+362,437	124,314,624
	The Bank has come to read your interest line the way a clerk reads the same letter every month: quickly, and with the pleasure of finding nothing new. Ref. CIBT-3012-29BD-9		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
