Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
155,490,383 s	**+982,793 s**	**-372,485 s**	**156,100,691 s**

Date	Description	Amount (s)	Balance (s)
06 Nov	Mech Veterans' Time Pension	+339,947	155,830,330
	You have looked at the envelope's stamp for 5 years and never once at the sum inside, which the Office has decided to take as a sign of trust rather than of a poor memory for figures. Ref. CIBT-2974-1509-1		
07 Nov	ATM withdrawal: Delhi Sector	-172,800	155,657,530
	The Delhi Sector machine pays in days and reports in seconds. Your withdrawal of 172,800 was entered 28 days after it was made, when the local day had caught up with ours, and the sum did not change in the meantime, which the Bank regards as the machine's chief virtue. Ref. CIBT-2974-6AEC-9		
18 Nov	ATM withdrawal: Delhi Sector	-172,800	155,484,730
	The Europa Ice Authority sends the monthly envelope for its pension payments to Delhi Sector marked with your number. The machine opens it, counts the notes, and pays them out on the same stroke of the concourse clock. Ref. CIBT-2974-5BB1-8		
19 Nov	Temporal Health Plan	-26,885	155,457,845
	The consultation on the 19th was filed on time but arrived 28 days later, having travelled by the slow courier the plan keeps for claims it has not yet decided to trust. It was trusted in the end. Ref. CIBT-2974-9B48-5		
22 Nov	Deposit: Hall E	+111,588	155,569,433
	You deposit on the 22nd of every month and apologise in advance for the amount, which is always the same. The officer says it is not too small to be accepted, and you thank her, each time, for accepting it. Ref. CIBT-2974-CA02-4		
30 Nov	Interest at 4.10% APY	+531,258	156,100,691
	On Io the interest is paid in the warm hours, when the vents are quiet enough for the Teller to be heard. The rest of the day it stays in the branch safe under a sulphur seal, which has never been broken for an interest payment, and the officers say they would not like to start. Ref. CIBT-2974-8947-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
