Date	Description	Amount (s)	Balance (s)
05 Jul	Payroll credit: the Europa Ice Authority	+904,497	175,009,651
	Your wages from the Europa Ice Authority arrive every second Friday, and the Bank has learned to expect them on the day rather than after it. The fortnight has been counted since 2972 and has never once been missed. Ref. CIBT-2976-721F-0		
06 Jul	Transfer to own account: New Orleans Sector	-6,150,692	168,858,959
	The sundry slip is left on the counter with one corner turned down. The officers have come to read this as a request to hear the total before anything else is said. Ref. CIBT-2976-8EA8-2		
16 Jul	Memory Vault: box 98-035, quarter	-259,200	168,599,759
	The audit of rentals at New Orleans Sector found box 98-035 paid to the day rather than to the hour. The Vault's rule is the hour; the auditors have accepted the day, on the grounds that nobody has asked them to do otherwise. Ref. CIBT-2976-0F19-0		
19 Jul	Mech Veterans' Time Pension	+335,396	168,935,155
	The Europa Ice Authority takes a levy out of your pension each quarter, which it calls a contribution and the Pensions Office calls a deduction. The two names have been printed on the statement side by side. Ref. CIBT-2976-3EF9-3		
30 Jul	Slippage fee (New Orleans Sector, 4 transfers)	-3,600	168,931,555
	The fee on your transfers to the Europa Ice Authority's staff account is charged once in each direction, since the firm holds that a pay packet should not be asked to cross twice. The relay does not hold with that view, and the firm does not hold with the relay. Ref. CIBT-2976-65BC-6		
30 Jul	Temporal Health Plan	-24,412	168,907,143
	The auditors ask that the premium for 10 months be read against the plan's rounding schedule and not the member's arithmetic. Read that way, the sums agree to the hundredth of a day, and the auditors have signed beneath the schedule. Ref. CIBT-2976-D134-6		
31 Jul	Interest at 4.10% APY	+594,859	169,502,002
	The Teller says interest is the only money in the building that never asks anyone for anything, and that she respects it for this. The figure is correct, and she has said so before, on other days, in the same tone. Ref. CIBT-2976-A640-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
