Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
135,195,851 s	**+1,752,508 s**	**-4,191,130 s**	**132,757,229 s**

Date	Description	Amount (s)	Balance (s)
02 Nov	Payroll credit: the Europa Ice Authority	+904,497	136,100,348
	The Teller records that you asked for the credit in the smaller notes, then asked for it to be counted again, and that this is the only such request the branch has received this year. Ref. CIBT-2987-C2FA-0		
05 Nov	Mech Veterans' Time Pension	+386,092	136,486,440
	Paid by a teller who has counted this pension out on the first working day for 36 years and still gets the sum wrong in her head before the notes reach the counter. The count is right every time. The sum in her head has never once been asked to stand up. Ref. CIBT-2987-9CF4-4		
08 Nov	Temporal Health Plan	-40,756	136,445,684
	You attend your check-ups 25 days before the date the clinic offers, and the clinic has begun to hold that slot in your name on the day it opens. Ref. CIBT-2987-962F-9		
15 Nov	ATM withdrawal: Phobos	-86,400	136,359,284
	You read the receipt aloud at the Phobos machine, once, in a voice intended for nobody, and fold it into the wallet with the corner turned down. The printer has begun to run a little more slowly on your days, which the officer takes as a courtesy of the printer's. Ref. CIBT-2987-D4E3-8		
21 Nov	Transfer to own account: Phobos	-4,063,974	132,295,310
	The Teller wishes it noted that this sundry was for the exact amount requested, which in her years at the counter she has seen on two occasions. Ref. CIBT-2987-4D96-9		
30 Nov	Interest at 4.10% APY	+461,919	132,757,229
	The interest was posted on the 30th, while the holder's cousin was learning to draw the same clock from memory, and getting it wrong in the same place each time, and the window was asked to confirm the sum aloud, which it did, to a queue that had not been expecting to hear it. Ref. CIBT-2987-0C44-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
