Period 1–31 December 2998
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
159,102,731 s	**+1,888,846 s**	**-2,535,866 s**	**158,455,711 s**

Date	Description	Amount (s)	Balance (s)
05 Dec	Payroll credit: the Europa Ice Authority	+904,497	160,007,228
	The Europa Ice Authority's office at Bronx Sector pays its wages a day ahead of the local calendar, so the credit lands here before the work it pays for has finished there. The office asks that the work be considered finished from the moment it is paid for, which the payroll clerk says is the usual view on that world. Ref. CIBT-2998-D52B-7		
14 Dec	Mech Veterans' Time Pension	+440,749	160,447,977
	Every quarter you post a Time Pension receipt to a brother you have not seen since 2993, with no letter enclosed. Each envelope comes back to the counter unopened, with the same stamp, and the Bank has not opened it either. Ref. CIBT-2998-6F54-9		
14 Dec	Temporal Health Plan	-43,908	160,404,069
	Each claim you file has a number written on it in pencil before it reaches the counter, though the plan issues its own numbers there. The two sequences have never disagreed, and the Teller has stopped checking. Ref. CIBT-2998-C31F-7		
23 Dec	ATM withdrawal: Bronx Sector	-172,800	160,231,269
	Your withdrawal of 2 Standard days at the Bronx Sector machine was drawn on the account your employer pays into, at the employer's request, so that the wages are available on the day they arrive. Ref. CIBT-2998-2EA6-8		
28 Dec	Transfer to own account: Bronx Sector	-2,319,158	157,912,111
	A sundry raised at Bronx Sector in days and reckoned at the posted rate. The local office describes its rate as ours with more patience, which the Bank has accepted as a description and not as a rate. Ref. CIBT-2998-C3DF-6		
31 Dec	Interest at 4.10% APY	+543,600	158,455,711
	Interest on a balance of less than a whole second is not rounded at all, the Bank's view being that a small sum is already close enough to the truth. The figure above is therefore exact. Ref. CIBT-2998-60C1-8

January 2998 December 2998

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
