Opening balance	Credits	Debits	Closing balance
101,029,013 s	**+4,362,327 s**	**-205,511 s**	**105,185,829 s**

Date	Description	Amount (s)	Balance (s)
16 Aug	Payroll credit: the Europa Ice Authority	+904,497	101,933,510
	An entry on your previous statement, shown as a wage from the Europa Ice Authority, was a transfer from your own 8564-4181-1663 and has been reversed. The wage itself appears below, in full, and is the only one that belongs to this period. Ref. CIBT-3005-93A0-1		
16 Aug	Mech Veterans' Time Pension	+376,248	102,309,758
	The pension is paid on Titan from a second account held in cycles, reconciled once a year on the Bank's own calendar. The reconciliation has never found a difference of more than 52 seconds. Ref. CIBT-3005-BA57-9		
19 Aug	Deposit: Hall E	+2,736,400	105,046,158
	The entry for the 19th was posted to the holder's old number after a change of account. The entry was amended in the margin, where the original could be read, and the sum moved with it, so the old number now shows nothing at all. Ref. CIBT-3005-F035-2		
21 Aug	ATM withdrawal: Titan	-86,400	104,959,758
	The posting was held 30 Standard days because a trolley had been left across the concourse in front of the relay's hatch. The trolley was moved on the 21st, and the posting followed it. Ref. CIBT-3005-B504-9		
27 Aug	Temporal Health Plan	-32,711	104,927,047
	The counter has taken your premium in cash for 38 years and has never once been asked for a receipt. It keeps one anyway, in the drawer marked for later, where the others have been filed since 3002. Ref. CIBT-3005-4CD0-5		
30 Aug	ATM withdrawal: Titan	-86,400	104,840,647
	Every second week the machine at Titan pays out 86,400 from 8564-4181-1663 against the storage you keep in the same sector. The arrangement was set up in 3004 and has not missed a payment since. Ref. CIBT-3005-EA45-9		
31 Aug	Interest at 4.10% APY	+345,182	105,185,829
	Rafe Cardew says interest is paid for patience and not for performance, and that a statement of it is therefore a form of thanks. The thanks is itemised to the second. Ref. CIBT-3005-A61D-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
