Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
201,016,014 s	**+1,792,751 s**	**-287,383 s**	**202,521,382 s**

Date	Description	Amount (s)	Balance (s)
01 Jul	Temporal Health Plan	-28,183	200,987,831
	Your physiotherapy is billed on the first working day of each month under the standing claim set up in 3015. The plan asks only that you do not ring to confirm it, and the claim has been raised every month since without a missed session. Ref. CIBT-3016-8C60-7		
10 Jul	Deposit: Hall E	+706,147	201,693,978
	The account on your slip was entered one digit out in the eighth place, so the deposit of 706,147 first appeared against 8564-8837-5366. Both figures on this statement are correct; only the line has moved. Ref. CIBT-3016-9FBC-2		
12 Jul	Mech Veterans' Time Pension	+399,800	202,093,778
	A month's pension was credited to the wrong heading, the upgrade allowance having been filed under the pension itself. The two lines have been separated, and the total on the statement does not change. Ref. CIBT-3016-3F8E-8		
19 Jul	Memory Vault: box 98-035, quarter	-259,200	201,834,578
	Rental for box 98-035 is 259,200, the figure the terms set for a box of its size. The custodian reports that the box has been measured and found to be of the size stated, which has not happened before on this sub-level. Ref. CIBT-3016-8EFA-2		
31 Jul	Interest at 4.10% APY	+686,804	202,521,382
	The interest slip came back to the counter folded the wrong way, and the officer remarked that it had been folded by someone who expected it to be read from the inside. The figure is the same from either side, and she has checked both. Ref. CIBT-3016-5AF6-4		

Closing balance, month by month

August 3015 July 3016

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
