Opening balance	Credits	Debits	Closing balance
146,521,254 s	**+8,832,352 s**	**-462,578 s**	**154,891,028 s**

Date	Description	Amount (s)	Balance (s)
01 Aug	ATM withdrawal: Callisto	-172,800	146,348,454
	You take the first and last notes from each withdrawal at Callisto and leave the middle one in the slot. The custodian stopped retrieving it some years ago, and the Bank now records it as a donation to the machine. Ref. CIBT-3028-E759-9		
11 Aug	Mech Veterans' Time Pension	+334,924	146,683,378
	The Teller points out that the pension arrived on the day you had predicted, the only prediction you have made about money that the Bank has never had to correct. Ref. CIBT-3028-356C-0		
28 Aug	Deposit: Hall E	+7,996,814	154,680,192
	The clearing charge on this deposit has been waived. The envelope was opened only at the counter and never passed through another desk, and the Bank does not charge for the handling of a thing that has been handled only once. Ref. CIBT-3028-94EC-0		
29 Aug	ATM withdrawal: Callisto	-259,200	154,420,992
	Your cash withdrawals at Callisto are made in the same denomination every time, and the machine has been set to dispense it without a prompt. This month's 3 Standard days follows that instruction exactly. Ref. CIBT-3028-2D36-8		
30 Aug	Temporal Health Plan	-30,578	154,390,414
	The eye examination is billed every 28 days, and the optician has written on each receipt that the last one has not yet worn off. The plan pays for the examination; the optimism is not covered. Ref. CIBT-3028-17C1-5		
31 Aug	Interest at 4.10% APY	+500,614	154,891,028
	You have asked for the balance to be shown to 33 seconds each month. The Bank does so, and you check the last figure by hand against the rate, which you keep on the back of a deposit slip. Ref. CIBT-3028-D624-9		

Closing balance, month by month

September 3027 August 3028

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
