Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
51,052,347 s	**+3,218,268 s**	**-195,539 s**	**54,075,076 s**

Date	Description	Amount (s)	Balance (s)
02 Dec	Temporal Health Plan	-20,939	51,031,408
	The plan holds a dental record in your name for a tooth that was never taken out. It is paid each year at the price of an extraction, which the plan regards as a reserve against the tooth's return. Ref. CIBT-3003-447B-3		
07 Dec	Deposit: Hall E	+2,461,475	53,492,883
	You have made a deposit at Hall E on the 7th of every month since 2998, and the officers now begin entering it before you reach the window. They call this a courtesy, and they mean the first. Ref. CIBT-3003-81C5-3		
15 Dec	ATM withdrawal: Vancouver Sector	-172,800	53,320,083
	The withdrawal shown at Vancouver Sector on the 15th was for 2 Standard days. The receipt printed 172,800, because the printer runs a line behind the dispenser. The receipt has been corrected, and the account was debited only for the sum the machine paid out. Ref. CIBT-3003-31FC-5		
16 Dec	Slippage fee (Vancouver Sector, 6 transfers)	-1,800	53,318,283
	The fee was held 30 days while the relay's operator tested the crossing against a second route, which proved to be the same route under a different number on the board. The fee has been taken on the first route, which is the one the transfer took. Ref. CIBT-3003-9C0B-6		
23 Dec	Payroll credit: St. Catherine Bakeries	+620,654	53,938,937
	Pay for the period ending on the 23rd, from St. Catherine Bakeries. The relay between Vancouver Sector and Hall E took 21 days over the transfer, because a batch of wages was split across two relays, and the employer's own dates put it on time. Ref. CIBT-3003-68CB-1		
31 Dec	Interest at 3.20% APY	+136,139	54,075,076
	On Vancouver Sector the interest is posted at the station's own rate, which moves with the shifts. The rate on this line is the one in force at the posting, and the shift has been written on the slip beside it. Ref. CIBT-3003-30A5-5

January 3003 December 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
