Opening balance	Credits	Debits	Closing balance
122,649,384 s	**+4,931,559 s**	**-346,800 s**	**127,234,143 s**

Date	Description	Amount (s)	Balance (s)
05 Jul	ATM withdrawal: Nairobi Sector	-86,400	122,562,984
	The standing draw of One Standard day from Nairobi Sector is set for the 5th and has run without interruption since the machine was installed. The machine has been replaced twice, and the draw was carried across to each new one by hand. Ref. CIBT-3003-2AD4-3		
19 Jul	ATM withdrawal: Nairobi Sector	-259,200	122,303,784
	A withdrawal of 3 Standard days at Nairobi Sector at the same minute as the last one, from the same concourse. Both times the change was taken in days and left on the machine's tray. Ref. CIBT-3003-0356-4		
20 Jul	Deposit: Hall E	+3,699,845	126,003,629
	The counter fee on the 3,699,845 deposit has been set aside. The officer at the window had been on her feet since before the shift began, and asked that the form record the hour rather than the charge. Ref. CIBT-3003-346F-5		
21 Jul	Slippage fee (Nairobi Sector, 2 transfers)	-1,200	126,002,429
	Your 2 crossings waited at the Nairobi Sector relay for 31 Standard days while a new operator asked the relay for its own reading before touching anything. The reading was written on the transfer slip, and the slip is the only record of it. The crossings have since gone through, and the slippage is charged for the crossing and not the wait. Ref. CIBT-3003-46CD-9		
25 Jul	Payroll credit: Brymar College	+853,546	126,855,975
	Wages from Brymar College for the period ending on the 25th of the month. The employer's payroll office files in its own local time, which is why this credit appears to arrive before it was sent. It did not; see clause 1.2 of your terms. Ref. CIBT-3003-513C-8		
31 Jul	Interest at 3.70% APY	+378,168	127,234,143
	The interest is credited on the 31st, a day earlier than the posted date, because the depositor asked for it to be so and has been right about the calendar every time. Ref. CIBT-3003-35D1-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
