Date	Description	Amount (s)	Balance (s)
17 Jan	ATM withdrawal: New Orleans Sector	-86,400	871,065,062
	The machine at New Orleans Sector is the one Interworld Post uses to pay its staff, so four of your withdrawals fall on the same afternoon. The officer has marked them as one trip, and the sums have been kept separate. Ref. CIBT-3003-E904-4		
17 Jan	Slippage fee (New Orleans Sector, 3 transfers)	-1,800	871,063,262
	Your 3 transfers waited 31 Standard days at the New Orleans Sector relay, which had decided to hold all crossings until its clock had been checked against a second clock. The second clock was found in a drawer, the transfers were released, and the fee is charged for the crossings and not for the drawer. Ref. CIBT-3003-425B-9		
19 Jan	Payroll credit: Interworld Post	+6,701,559	877,764,821
	The Interworld Post credit is paid in two parts, the larger on the 19th and the smaller on the next working day. The office calls this a split and the Bank calls it two credits, and the two have never agreed on a word for it. Ref. CIBT-3003-479A-7		
25 Jan	Transfer to own account: New Orleans Sector	-73,661,266	804,103,555
	Interworld Post asked the Bank to hold this sundry until its own year-end, and the Bank agreed, on condition that it be dated to the day the request was made. It is. Ref. CIBT-3003-125C-7		
31 Jan	Interest at 4.70% APY	+3,412,009	807,515,564
	You have set the interest to be reinvested each month without a fresh request, and it is reinvested without remark at 4.70% APY. The officers consider the arrangement a model of its kind. Ref. CIBT-3003-99AD-5		

Closing balance, month by month

February 3002 January 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
