Opening balance	Credits	Debits	Closing balance
28,444,645 s	**+90,074 s**	**-402,446 s**	**28,132,273 s**

Date	Description	Amount (s)	Balance (s)
01 Oct	Transfer to own account: Europa	-55,346	28,389,299
	Note for the auditors: the sundry raised on the 1st carries the number 31 twice, once in the Head Office register and once in the register kept at Europa, which numbers its slips in the reverse order. Both numbers refer to the same sundry, and the auditors have been told which one to keep. Ref. CIBT-2964-2514-7		
07 Oct	ATM withdrawal: Europa	-259,200	28,130,099
	You have checked the balance on the screen before each withdrawal for 6 years, and each time the figure has been right. The machine has not been told that this is a comfort to you. Ref. CIBT-2964-C492-9		
14 Oct	Slippage fee (Europa, 5 transfers)	-1,500	28,128,599
	"It is not the Bank's fault," the Teller says, "that the far side keeps a different day. The Bank is only responsible for the arithmetic, and the arithmetic has been checked twice." Ref. CIBT-2964-45D7-1		
19 Oct	ATM withdrawal: Europa	-86,400	28,042,199
	Standing cash withdrawal at Europa, 86,400, taken on the 19th of each month since 2963. The machine has been stocked for it since then, and the concourse officer leaves the notes at the top of the tray. Ref. CIBT-2964-8C29-3		
31 Oct	Interest at 3.80% APY	+90,074	28,132,273
	Your interest was credited on the 31st at Europa, where the day is set by the station's own sun, so the day it was credited was shorter than yours and the difference of 51 seconds was taken off as the station's charge. The charge is shown on its own line, and the sun has been informed. Ref. CIBT-2964-139F-0

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
