| Date | Description | Amount (s) | Balance (s) |
|---|---|---|---|
| 10 Aug | Payroll credit: Brymar College | +172,241 | 18,831,446 |
| | The Brymar College office at L4 Habitat observed a day of silence, and the wage waited through it. It was released when the silence ended, with the interest for the day added in full. Nobody has asked what the silence was for. Ref. CIBT-2980-A904-3 | | |
| 10 Aug | ATM withdrawal: L4 Habitat | -259,200 | 18,572,246 |
| | You have drawn from the Automated Temporal Machine at L4 Habitat at the same minute after the hour on every visit since 2975. The machine's log has noticed, and has recorded it without comment, as it records everything. Ref. CIBT-2980-7AE4-2 | | |
| 18 Aug | Turbulence Cover | -17,707 | 18,554,539 |
| | On Io the cover runs by the night, which lasts most of a Standard week, so a premium paid on the first night of the month covers a crossing made on the seventh. Ref. CIBT-2980-5B45-5 | | |
| 23 Aug | ATM withdrawal: L4 Habitat | -172,800 | 18,381,739 |
| | The auditors sampled this withdrawal at L4 Habitat. The cash in the machine agreed with its log to the note, and they have asked the machine to print the log with the receipt in future. It has declined, on the grounds that nobody reads logs. Ref. CIBT-2980-8C2C-1 | | |
| 24 Aug | Slippage fee (L4 Habitat, 1 transfers) | -300 | 18,381,439 |
| | The auditors spent 31 days on the slippage for this period and found that it came to 300 s, which was the sum already charged. They asked the Bank to record that they were satisfied, and it does so with pleasure. Ref. CIBT-2980-2D09-4 | | |
| 30 Aug | Deposit: Hall E | +2,244,387 | 20,625,826 |
| | You talk about the sleet on a world you have not visited before each deposit, and the Teller answers in the same terms, so the counting is done in the space between two sentences about the weather. Nobody at Hall E has ever asked which world it is, and nobody has needed to. Ref. CIBT-2980-BEEB-1 | | |
| 31 Aug | Interest at 3.80% APY | +59,087 | 20,684,913 |
| | Posted at Venus Cloudport at the rate the local desk chalks up each morning, which moves with the weather. It moved twice this month, and the statement shows both figures, as the Cloudport's officers prefer. Ref. CIBT-2980-9EB1-2 | | |

### Closing balance, month by month

Highest 20,684,913 s · lowest 16,039,923 s

September 2979 August 2980

*Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.*
