Period 1–31 March 2995
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
35,217,707 s	**+283,763 s**	**-534,752 s**	**34,966,718 s**

Date	Description	Amount (s)	Balance (s)
08 Mar	Slippage fee (Europa, 8 transfers)	-4,800	35,212,907
	The crossing waited 28 days because the Settlement Reserve audited its own reserve before it would release the seconds to the relay. The audit found the reserve in order, as it always does, and the seconds went across on the 8th. Ref. CIBT-2995-AA22-7		
08 Mar	Transfer to own account: Europa	-11,552	35,201,355
	A sundry that comes to exactly half a cycle is rounded to the nearest even whole unit. The Bank learned the rule from an accounts officer who did not wish to be asked which way it went. Ref. CIBT-2995-E5DA-2		
13 Mar	Payroll credit: Brymar College	+172,241	35,373,596
	The clerk at Europa wrote the Brymar College sum on the slip in pencil and underlined it twice. The figure is correct; the underlining is the clerk's own idea, and the Bank has left it alone. Ref. CIBT-2995-7680-0		
26 Mar	ATM withdrawal: Europa	-259,200	35,114,396
	For the audit file: the withdrawal agrees with the cash count taken at the close, the machine's own count and the relay's copy. The three have not differed since 2991, and the Committee has noted the fact without comment. Ref. CIBT-2995-D53E-8		
29 Mar	ATM withdrawal: Europa	-259,200	34,855,196
	Your standing draw is pre-authorised at Europa for the 29th of each month. The machine has been installed longer than its custodian, and the custodian says it has never once asked to be authorised again. Ref. CIBT-2995-D1DE-1		
31 Mar	Interest at 3.80% APY	+111,522	34,966,718
	You have moved the interest to 8564-8012-9779 on the 31st of every month without fail, arriving at the branch a little early each time. The officers now set the kettle by your arrival. Ref. CIBT-2995-4842-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
