Opening balance	Credits	Debits	Closing balance
31,227,651 s	**+98,887 s**	**-623,137 s**	**30,703,401 s**

Date	Description	Amount (s)	Balance (s)
03 Jul	Turbulence Cover	-13,187	31,214,464
	The auditors ask why a policy that has paid nothing in 3 years costs more than the one that paid out twice. The underwriters reply that the second one paid for the first. Ref. CIBT-2996-E191-2		
05 Jul	ATM withdrawal: Ganymede	-259,200	30,955,264
	The officer on the concourse counted the notes back to you in front of the machine and found them correct. She mentions this only because you did not look at them while she was doing it. Ref. CIBT-2996-61C3-9		
09 Jul	ATM withdrawal: Ganymede	-86,400	30,868,864
	The withdrawal was held 31 days because the clerk who signs for the machine's cash was on a shuttle, and the shuttle keeps its own timetable. The cash was paid the morning she landed. Ref. CIBT-2996-8ADA-2		
23 Jul	Transfer to own account: Ganymede	-262,550	30,606,314
	The sundry was credited 28 days late, as the week ahead was printed on the back of last week's forecast and read as a correction. The date on the slip stands for the purposes of interest. Ref. CIBT-2996-BEED-0		
24 Jul	Slippage fee (Ganymede, 2 transfers)	-1,800	30,604,514
	The 2 transfers waited 29 days at the relay behind a crowd of others from Brymar College. The relay asks that the crowd be counted in the fee, and the Bank has declined, since a crowd has no seconds of its own to lose. Ref. CIBT-2996-121A-1		
31 Jul	Interest at 3.80% APY	+98,887	30,703,401
	The monthly fee was waived in a month when your balance fell, for one morning, to the figure it had held on the day the account opened. The Bank regards that as a return to first principles, and has charged nothing for the return. Ref. CIBT-2996-359A-4

August 2995 July 2996

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
