Period 1–31 January 3012
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
14,920,914 s	**+2,474,985 s**	**-350,400 s**	**17,045,499 s**

Date	Description	Amount (s)	Balance (s)
02 Jan	Slippage fee (Singapore Sector, 8 transfers)	-4,800	14,916,114
	Your employer has asked for a copy of this schedule, since the seconds lost on the run were its payroll's. A copy has gone to its office at Hall E, and the original is kept here. Ref. CIBT-3012-D89E-8		
02 Jan	Deposit: Hall E	+2,255,495	17,171,609
	The first statement showed a coin short. The coin was not lost. It had slipped into the lining of the bag, where the counter found it on the second pass, and the sum has been restated to include it. Ref. CIBT-3012-AA4E-9		
16 Jan	Payroll credit: Brymar College	+172,241	17,343,850
	You check the Brymar College figure each month against a pencil list you keep at the back of your bag. The list has never been wrong, and the Bank was asked once, politely, to keep a copy of it on file. Ref. CIBT-3012-F872-9		
20 Jan	ATM withdrawal: Singapore Sector	-172,800	17,171,050
	Asked whether this withdrawal should be recorded in days or in figures, the machine at Singapore Sector said figures, with the reluctance of a machine that has been asked the same question for 23 years. Ref. CIBT-3012-3048-5		
30 Jan	ATM withdrawal: Singapore Sector	-172,800	16,998,250
	Brymar College sent the cash for the Singapore Sector machine under a seal that the officer on duty opened in front of you. The seal was in good order, and the officer has asked that this be recorded, as the sealing is Brymar College's custom and not ours. Ref. CIBT-3012-4829-3		
31 Jan	Interest at 3.80% APY	+47,249	17,045,499
	The interest on the 31st line was calculated on last month's closing balance, because the deposit had been keyed in after the figure was struck. The figure has been worked again, the 5 seconds owed are credited on the next line, and the deposit is where it was. Ref. CIBT-3012-9DFE-2		

Closing balance, month by month

February 3011 January 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
