Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
22,942,185 s	**+630,795 s**	**-346,500 s**	**23,226,480 s**

Date	Description	Amount (s)	Balance (s)
06 Oct	Deposit: Hall E	+385,904	23,328,089
	Deposit at the Hall E counter, counted by the Teller and checked by a second officer. Ref. CIBT-3012-EF1A-1		
07 Oct	ATM withdrawal: Io	-86,400	23,241,689
	The Io machine pays in cycles and reports in seconds. Your withdrawal of 86,400 was entered 31 days after it was made, when the local day had caught up with ours, and the sum did not change in the meantime, which the Bank regards as the machine's chief virtue. Ref. CIBT-3012-A857-7		
11 Oct	ATM withdrawal: Io	-259,200	22,982,489
	The machine at Io dispenses cycles from a tray that holds nothing else. Your withdrawal of 3 Standard days came from it on the 11th, and the tray was found the next morning with one coin left behind, which the officer on duty has kept in a dish. Ref. CIBT-3012-ACE5-2		
13 Oct	Slippage fee (Io, 3 transfers)	-900	22,981,589
	Slippage on the money Tamsin Zamora-Grisolm sends you is nil, since it is sent on the Bank's own relay and the seconds stay where they are put. The officer notes this for completeness and has not been asked to explain it. Ref. CIBT-3012-6606-8		
16 Oct	Payroll credit: Brymar College	+172,241	23,153,830
	An earlier wage line was shown in cycles and should have been in seconds. It has been restated in seconds. The total is the same, although the figure now runs to a good many more digits. Ref. CIBT-3012-9FE0-2		
31 Oct	Interest at 3.80% APY	+72,650	23,226,480
	Once a year, on the 31st, you take the whole year's interest out in coins and put it back before the counter closes. The officer records this as one transaction, which it is in every respect except the paperwork. Ref. CIBT-3012-817E-7		

Closing balance, month by month

November 3011 October 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
