Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
41,566,162 s	**+416,817 s**	**-2,506,068 s**	**39,476,911 s**

Date	Description	Amount (s)	Balance (s)
02 Jul	Slippage fee (Mars Station, 9 transfers)	-8,100	41,558,062
	The Mars leg shown on the last statement was a route that does not exist. The leg has been moved to the correct crossing and the fee restated. Ref. CIBT-2990-244C-3		
04 Jul	Transfer to own account: Mars Station	-2,395,572	39,162,490
	Your standing instruction to move 2,395,572 to your own 8564-4792-1821 on the last working day of each quarter has now been carried out for 5 quarters running. You have never amended it, and the officers have stopped calling it an instruction and begun calling it a fixture. Ref. CIBT-2990-D075-6		
10 Jul	ATM withdrawal: Mars Station	-86,400	39,076,090
	The posting was held 28 Standard days because a trolley had been left across the concourse in front of the relay's hatch. The trolley was moved on the 10th, and the posting followed it. Ref. CIBT-2990-3694-6		
22 Jul	Turbulence Cover	-15,996	39,060,094
	A carrier's card arrives each month wishing you a safe crossing, and is filed with the policy in date order. The file has been kept since 2989, and the Bank regards the cards as part of the contract, though no clause mentions them. Ref. CIBT-2990-0738-2		
27 Jul	Payroll credit: the Lagrange Four Commissary	+305,974	39,366,068
	The wage arrived on a day the Teller had taken off. The credit has been made as though she had been at the counter to witness it, and she has been at the counter every day since. Ref. CIBT-2990-525C-5		
31 Jul	Interest at 3.20% APY	+110,843	39,476,911
	The Teller reads the figure out in the voice she keeps for the weather. Asked whether it is good news, she says it is the same news as last month, which is how it is best received. Ref. CIBT-2990-981D-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
