Opening balance	Credits	Debits	Closing balance
55,814,778 s	**+454,813 s**	**-2,264,212 s**	**54,005,379 s**

Date	Description	Amount (s)	Balance (s)
02 Aug	Slippage fee (Oakland Sector, 1 transfers)	-900	55,813,878
	A customer at the next window asked why her slippage was lower than yours. The officer explained that she had made fewer crossings, and that you had made one more, and that the Bank was not in a position to comment further. Ref. CIBT-2991-2E3D-1		
13 Aug	Turbulence Cover	-26,232	55,787,646
	The carrier pays out to the nearest second and the underwriters collect to the nearest whole day. Between the two, the policy keeps 0.963 of a day, which belongs to neither party and has been left where it fell. Ref. CIBT-2991-F9CB-3		
20 Aug	Payroll credit: the Lagrange Four Commissary	+305,974	56,093,620
	A standing salary credit from the Lagrange Four Commissary, set up in 2988 and paid on the 20th of each month. The contract has been renewed 21 times and the figure has not moved, which the payroll office regards as its finest work. Ref. CIBT-2991-481C-7		
29 Aug	Transfer to own account: Oakland Sector	-2,237,080	53,856,540
	The second officer signed this adjustment with the same pen as the last one, and asks that the pen be retired. Nobody has yet said where it should go. Ref. CIBT-2991-4F2C-2		
31 Aug	Interest at 3.20% APY	+148,839	54,005,379
	The interest for 30 days was held up because the Rate Committee's table was printed in days and had to be turned back into seconds by a clerk who was not sure which way the conversion ran. It ran the right way once it was checked, and the clerk has requested a column in the table to say which way. Ref. CIBT-2991-2687-8

September 2990 August 2991

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
