Opening balance	Credits	Debits	Closing balance
35,004,738 s	**+399,319 s**	**-2,843,987 s**	**32,560,070 s**

Date	Description	Amount (s)	Balance (s)
08 Dec	Transfer to own account: New Orleans Sector	-2,487,588	32,517,150
	Sundry credit of 37 seconds, owed for the time you waited at the counter on the 8th. The Bank has no policy on this, and the officer has decided, for the purposes of this statement, that it was owed. Ref. CIBT-2995-5A0B-9		
12 Dec	Slippage fee (New Orleans Sector, 2 transfers)	-600	32,516,550
	Every transfer you send carries the same short note, "as before". The relay has taken the note as a full instruction since 2992, and has never asked what the before was. Ref. CIBT-2995-C07B-3		
22 Dec	Payroll credit: the Lagrange Four Commissary	+305,974	32,822,524
	The Lagrange Four Commissary credit arrived without a covering note, the first this year to do so. The payroll office has asked that its silence be filed as an apology, and the Bank has filed it that way. Ref. CIBT-2995-244B-7		
24 Dec	Turbulence Cover	-10,199	32,812,325
	Papers for the 24th claim went to the wrong quay and came back with a letter saying the quay had never heard of the carrier. The second manifest was found the following week, dry, in a drawer. Ref. CIBT-2995-3F6C-9		
25 Dec	ATM withdrawal: New Orleans Sector	-172,800	32,639,525
	Asked to confirm the withdrawal at New Orleans Sector, you gave the same answer twice. The Teller describes this as the only sensible reply the machine has ever been given. Ref. CIBT-2995-0264-1		
30 Dec	ATM withdrawal: New Orleans Sector	-172,800	32,466,725
	On the 30th the machine at New Orleans Sector would not dispense, and printed a receipt for the amount instead. You took the receipt to the counter the following day and it was exchanged for the cash. The Teller has entered the cash on the day the receipt was printed, since that was when it had been waiting. Ref. CIBT-2995-514C-8		
31 Dec	Interest at 3.20% APY	+93,345	32,560,070
	The auditors asked why the interest for the 31st is one second higher than the sum of the daily figures. The answer is the leap second the Clock Standards Board added in 2991, which the daily figures did not carry. Ref. CIBT-2995-7C41-0		

Closing balance, month by month

January 2995 December 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
