Soren Juvonen
Unit 265, Pallas Ring 10

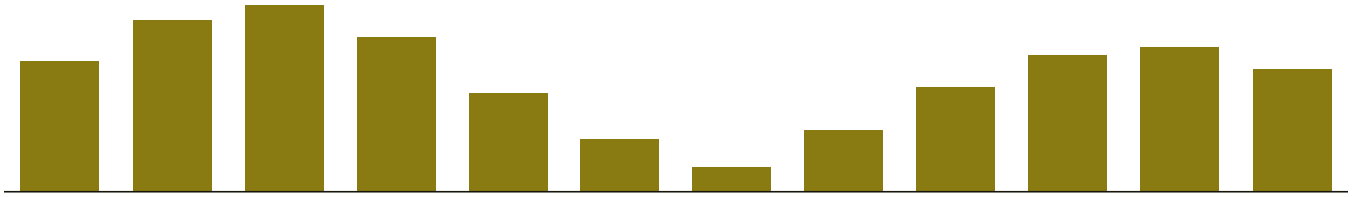

Account 8564-4792-1821
Period 1–31 January 2997
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
41,213,266 s	**+415,876 s**	**-2,515,111 s**	**39,114,031 s**

Date	Description	Amount (s)	Balance (s)
05 Jan	ATM withdrawal: Luna	-86,400	41,126,866
	The line for the 5th named Luna as the place of withdrawal. The machine was in fact at Hall E, one concourse away. The statement now gives the correct place, and the concourse board has been checked against it. Ref. CIBT-2997-7A4D-9		
16 Jan	Slippage fee (Luna, 7 transfers)	-6,300	41,120,566
	The seconds lost on 7 crossings have been returned to you in a single figure of 0.30 s, the crossings all having run in one direction, and the Bank not charging twice for going the same way. Ref. CIBT-2997-397A-7		
21 Jan	Payroll credit: the Lagrange Four Commissary	+305,974	41,426,540
	The wage was earned and paid on the same day, which the payroll office describes as rare enough to be worth a line of its own. The Bank has therefore put it on a line of its own and left the rest of the page as it was. Ref. CIBT-2997-60CF-8		
24 Jan	ATM withdrawal: Luna	-259,200	41,167,340
	Withdrawals made by the staff of the Lagrange Four Commissary at Luna are shown apart from yours, since the same machine serves them. The machine has not been told whose is whose. Ref. CIBT-2997-A793-7		
30 Jan	Transfer to own account: Luna	-2,163,211	39,004,129
	The eleventh credit this year of 2,163,211 is in the same amount as the last ten. The Bank has noticed the pattern and has no objection to it. Ref. CIBT-2997-D601-8		
31 Jan	Interest at 3.20% APY	+109,902	39,114,031
	The interest on 8564-4792-1821 was checked against the receipt, which turned up under the blotter. It matched the Bank's own figure, the depositor's, and the Teller's, which she said she had not expected to agree with either. Ref. CIBT-2997-D548-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
