Date	Description	Amount (s)	Balance (s)
09 Jul	ATM withdrawal: L4 Habitat	-259,200	33,823,407
	Each time you take cash from the machine at L4 Habitat, you carry it the length of the concourse to the Hall E counter and deposit most of it within the hour. The officers have noted the pattern and consider it sensible. Ref. CIBT-2997-0CD5-5		
09 Jul	Deposit: Hall E	+4,179,254	38,002,661
	You deposit your change with the rest of the money, not separately. The officers regard this as the best arrangement on offer, and your deposits have never once come up short. Ref. CIBT-2997-24A2-6		
13 Jul	ATM withdrawal: L4 Habitat	-259,200	37,743,461
	The cashier at Hall E asked whether you had counted the notes yourself at the machine. You had, twice, and she said it was the only sensible thing anyone at the concourse had done all week. Ref. CIBT-2997-11AB-8		
23 Jul	Turbulence Cover	-8,313	37,735,148
	The delay was caused by a second carrier taking its turn at the quay, a courtesy the first carrier had not been told about. The claim is paid to the first carrier, which has passed it on with an apology. Ref. CIBT-2997-39E0-4		
31 Jul	Interest at 3.20% APY	+90,886	37,826,034
	Interest was posted 30 days late, the period having closed while the local office was inspecting its own ceiling. The ceiling was found sound, and so was the interest. Ref. CIBT-2997-E18D-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
